## Internal Quality Assurance Cell

### ACTION TAKEN REPORT

2017- 2018

The Internal Quality Assurance Cell (IQAC) of St. Mira's College (Autonomous), Pune has been functioning successfully, since its inception on 15-Jul-2003. With a focus on academic excellence to ensure quality in all operations, the core team of the IQAC include Dr. Gulshan Gidwani, Principal of the College as the IQAC Chairperson, Dr. Jaya Rajagopalan as the IQAC Coordinator.

This report details the activities/events carried out by the IQAC in accordance with the Plan of Action that had been outlined the previous year.

The academic year 2017-18, witnessed a of plethora of activities that aimed at continuous improvement and promotion of quality culture.

#### The quality initiatives by IQAC include the following:

The current year has seen us take up several new initiatives and strengthen the collaborations that we are already into

- Department of Economics collaborated with the Departments of History, Politics and Public Administration to organize this SPPU sponsored **National Conference on "Public Policy, Governance and Advocacy: Towards a Sustainable Society** on February 9-10, 2018. A 3-day Lecture Series on Development Economics was organised by the Department of Economics.

The college has also signed an MoU with Tata Cosultancy Services for an Academic Interface Programme. The objective of the programme is to make the students corporate ready by training the college faculty and the students in various industry related domains like Banking, Insurance, F & A, etc. and 13other domains.

The Department of Psychology has entered into a collaboration with Zensar Technologies to hone the research acumen of their students; Zensar is helping the students to collate the data that they have obtained during their community visits and qualitatively analyze it.

The Psychology department has also tied up with 'Nayi Disha'- an online information resource platform. The students of St. Mira's will help 'Nayi Disha' to generate the lead data and conduct surveys for creating the directory that supports families of persons with Intellectual and Developmental Disabilities (IDD) in the city of Pune.

## **In addition, we have the following quality initiatives**

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

- Reviewing and analyzing academic programmes- Feedback from students was assessed and analyzed by every HOD, Analysis of the Feed Back for the year 2017-2018 showed an overall high satisfaction with the course content of every subject, Syllabus for the T.Y. B.A. and the T.Y.B. Com classes was revised, while the new autonomous syllabus for the T.Y.BBA, T.Y. BCA, and T.Y.B.Sc. (Computer Science) was framed.
- Introduction of new Additional Credit Courses- Some inter disciplinary short term extra credit courses to make our students employable in fields other than in pure academics were conducted. These courses were open to all students of every discipline.
- Ensuring the quality of the administrative units of the College- Software 'Vridhhi' for admissions and online filling of examination forms implemented, All documents in the administrative unit have been digitized to ensure, quick access to information and for preservation of important documents.
- Initiating ICT Innovations and increasing the activities of the Green Club- A number of indigenous software's have been developed by the faculty of the Computer Science department to improve the academic and the administrative efficiency of the college.
- Revisiting the marking scheme decided upon for self-appraisal (API scores) and promotion through Career Advancement Schemes of UGC; Guiding teachers for the same- IQAC has interpreted the intricacies of the new appraisal system for college teachers as per UGC regulations (2010) and has guided teachers with respect to the marking scheme of the 3 categories of API. This year the IQAC revisited the marking scheme and updated it as per suggestions received. Two teachers were promoted this year according to the Career Advancement Scheme.
- Implementing some important Examination Reforms- The Examination Cell has successfully used two indigenously devised software's - the Question Paper Picker and the Examination Timetable Scheduler - during the conduct of the examinations. These software's have facilitated the processes in the examination cell and increased the confidentiality of the examination process. Use of The Flexi – Test generator and the advanced online exam software to convenience the Internal Testing System, Alternate day exams instead of extended study leave

### **• REPORTS OF IQAC QUALITY INITIATIVES:**
