| Tasneem Shabbir Kagalwala | Yes | Yes | Yes | My daughter has always complained about the passion for teaching of her former teachers. From the moment she has stepped into St. Mira's I've only heard praises and adoration of her teachers from her. She used to complain about not being recognized for her efforts in her coursework, here she is recognized and receives personal attention from all of her professors to the point that she admits having built a close rapport with her teachers- which has made her more confident and increased her social skills. She is happier and more active as a student in Mira's and shows increased interest in everything Mira's. |
| Kamaladevi Pantula | Yes | Yes | Yes | I am so lucky to have in this college. |
