"Of the Students, By the Students, For the Students."

Dear Readers,

St. Mira's College For Girls is not just an educational institute, but a collection of a thousand memories and unforgettable experiences that are an irrevocable part of our metamorphosis - both as students and as individuals. Our journey has been nothing short of a rollercoaster ride. At our highest of highs, and lowest of lows, our beloved Dada has been our constant support - guiding us with his teachings, even after his heavenly departure.

We, the editors, have attempted to encapsulate and present before you a tiny glimpse of the heart and soul of the Mira Family through the following themes like "Humans of Pune", "Clash of the Titans" and our favourite "Reflections".

As first-time editors, we gained a privileged insight into the imagination, innovation and experiences of our writers, that have shaped who they are - and the person who we are today. College is not just about education, it's a holistic experience. It would be incomplete without the numerous activities that we have most passionately participated in, whether it was an expression of art (painting the walls of our college, putting up dance and dramas as well as initiating various clubs) or our involvement (organizing and participating in conferences, debates, internships, social endeavours, so on and so forth), we have overcome our obstacles and celebrated being bold and beautiful.

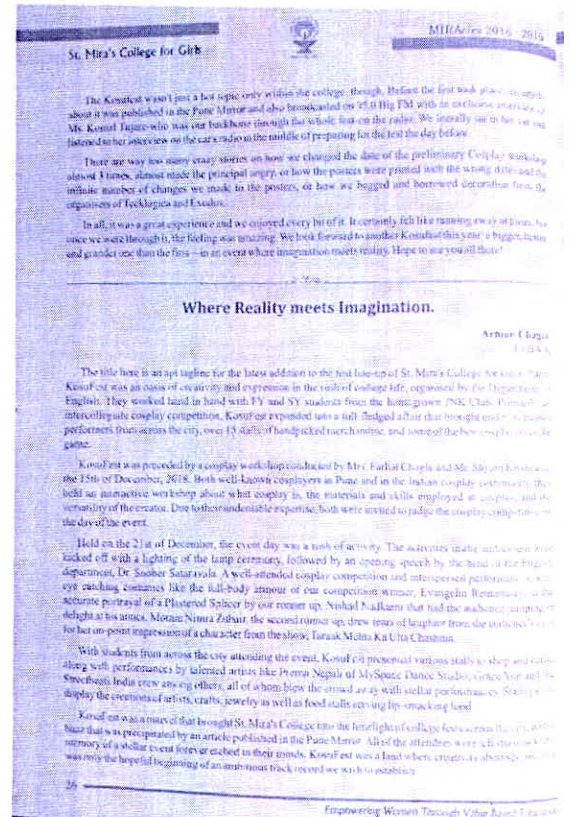

On a concluding note, we would like to express our sincere gratitude to our Principal, Dr. Gulshan Gidwani, respective collegiate authorities and in particular, to our chief editor, Dr. Shobee Sataravala, for giving us this opportunity to be a part of this memorable journey.
