PART 1:
Components of a salary slip:

1. Income/ Earnings

Basic Salary: This comprises 35% to 40% of your salary, thus it is perhaps the most important component of salary. It also serves as a basis for determining the other components of salary.

Dearness Allowance (DA): Calculated as a percentage of your basic pay. DA is given to offset the impact of inflation. It is completely taxable and need to be declared while ITR filing. This pay slip component typically features in case of government employees.

Unit 1, 2 & 4: SWOC ANALYSIS(for Resumes and Interviews, Career Planning and Personal Branding)
