Expt. No. 4

Experiment on Career Preference Record

By Bhargashree pandurang

Class TYBA em Roll No. 2937

Name of Subject Niyati Rajiyaguru

Purpose of the test
To measure the career preference of the subject using Ulvek and Rajshree Bhargavas Career Preference Record.

Case history
The subject said that career is something that an individual plans work in, and a job is a specific task. The subject was a sociology major student, who has collected a variety of work experiences, she worked at Luftansa as ground staff for 6 months, then at Zensar as CSR for 3 missions and currently is a social person. when asked about mass media and journalism, the subject told that she would like to be a reporter but not in the background work of mass media. The subject mentioned she considered artistic jobs more like a hobby than a career. when asked about science and technology, the subject mentioned its not her cup of tea.
