ALUMNI FEEDBACK 2018-2019

Alumni Feedback qualitative [Taken between 27-02-2019 to 04-03-2019]

The overall response was positive . A few suggestions emerged which seemed very constructive and worthy of introduction.

1.Ms. Hennashka Israni, alumna BA Eco special 2015 batch was of the view that :
"Econometrics and Maths should be introduced for B.A. Economics Special students".

2.Ms Jaya Nagrani, alumna BCom 2011 batch stated that : "The autonomous syllabus was very helpful for my NET/SET examination preparation."

3.Ms. Viveka Singh, alumna BA English 2008 batch opined that ; "St. Mira's College is one of its kind where mind and soul are trained together to help us become excellent in all spheres of life."

4. Eden Lobo alumna BA Psychology 2018 batch was of the view that , we need to " Include a lot of credit courses which are more in-depth to the syllabus such as Research Methodology, test construction or statistics. Since these are important subjects in the Master level... . A strong basic foundation in these subjects is very, very important".

Some of these suggestions have been taken quite seriously by us.

Based on Hennashka Israni's and Shreelekha Kakade's suggestions, the College plans to introduce a credit course in quantitative methods and statistics for the BA Economics Special students as soon as possible.

Based on Eden Lobo's suggestion a credit course in Research Methodology was introduced in the academic year 2018-19 itself.
