An Ambitious Character. An Ambitious Message: Cinderella (2021)

The screen adaptation of a literary work often leads to significant alterations to the characters, plots, settings, etc. The change is inevitable due to the shift in the medium. Cinderella is an evergreen fairytale, being passed down from generations, and over 20 movies can be seen borrowing the tale's plot. The most recent one, starring Camilla Cabello as Cinderella, has been transmuted to suit the current audience. Kay Cannon has played with the elements of the narrative – including the characters, setting, theme, point of view and plot – and presented a modern-day musical. *Cinderella (2021)* is loosely based on the original'. The paper looks at how the movie is a loose adaptation of the tale and how the central message of the story has been changed.

When a filmmaker decides to adapt a story, they either make a closely adapted version – there is little change in the adaptation concerning the characters, setting, plot, themes, etc. – or loosely adapted one – there are significant changes in the aforementioned elements and the story follows a different course from the original. *Cinderella*

COMPULSORY ENGLISH ASSIGNMENT

PART A - SELECTED AD AND ANALYSIS

Ad link

<https://www.youtube.com/watch?v=NemtQx0m0Ss>

The first time I came across this ad was when a Twitter user made a thread that said "Quote with a commercial you think deserves an Oscar" and the sheer amount of attention that this advertisement received made me want to take a look at it and honestly it became my favourite advertisement of all time. The advertisement focuses on the product Extra gum by Wrigleys Company and is made in collaboration with the advertising agency "Energy BBDO". It features a cover of the famous Elvis Presley song "Can't Help Falling In Love" by Hailey Riechard and tells the story of two young people and follows the journey of their life. The ad is clearly trying to sell a strip of gum but the way it portrays the story of these two young people grabs attention. The advertisement associates itself with love, youth and life and throughout the whole ad the stick of gum is a permanent part of it. Their meeting is initiated by offering each other a piece of gum and it stays with them throughout the course of their relationship. The combination of the heartfelt story telling and the inclusion of this all time favourite classic song which no matter how old it is feels new every time appeals to people of all ages. The yearning and happiness of love is a consistent emotion in everyone's life no matter what age, class, race or gender they are. The ad techniques used in this advertisement are

Presentation of Research papers at Seminars:

Student Paper Presentation :-

Two students of St. Mira's College for Girls presented their research papers at the 3-day International Conference titled, "International Conference on Multidisciplinary Research on Sustainable Development towards Better Tomorrow" organized by Brihan Maharashtra College of Commerce from 14th to 16th November 2019. Ms. Priya Bajaj from TY.B.Com presented a paper titled "A Comparative Study of Internal Marketing Strategies in Euro International School and Dastur Public School in Pune City", and Ms. Saeed Galkwad from TY.B.Com presented a paper titled "A Study to Understand Unique Strategies by Service Firm to Coin and Retain its Customers and its Impact". The girls worked under the able guidance of Asst. Prof. Rajni Singh. The papers were appreciated for their proper research format and the use of primary data. They will be published in a UGC approved research journal.

Department of Business Economics & Banking - 7th Inter-Collegiate Research Paper Competition

Ms. Chandni Mohnani, Ms. Kate Lopez and Ms. Pooja Singh, students of TYBCOM-Banking Specialization bagged the Fourth place in the 7th Inter-Collegiate Research Paper Competition on the theme "Bank Mergers, a Boon to Banking and Economy?" organized by Indian Institute of Cost and Management Studies and Research (Indsvarch), Pune on Sept 18th, 2019.

Their paper titled "An Analysis of feasibility of Mega Bank Mergers in Indian Banking System" was among the 28 research papers selected for presentation from among 41 research papers received from 21 colleges and institutes all over India.
