## MENTORING SESSION 2022

2/3/2022

Reported by  
- Ayesha Shaikh

The Annual mentoring session was held for FYBCom on 2<sup>nd</sup> March, 2022 in Room 202, St. Mira's College for girls at 11am.

The mentoring session saw an attendance of 40/25 students in both online & offline modes. The session started with an introduction followed by an open discussion by the students during which they raised issues faced by them including admission, academic queries & personal problems. The students commonly raised sanitary/hygienic issues as well as issues related to internet connectivity in college. All of the students' issues were given a patient ear. The session ended with the students filling the feedback forms related to college & academics. The students were content after being heard.
