

St. Mira's College for Girls, Pune

2021-22

Mentoring Session 2nd March 2022

Class- TYBA Eco Special

Mentor- Dr. Manisha Pimpalkhare

Report

The third mentoring session of the year 2021-22 took place on 2nd March 2022 at 11.10 am in hybrid mode i.e. combining online and offline mode.

The TY students were keen to understand the mechanism of offline examination scheduled for sem 6. They wanted to discuss the changes in the method of studying required to face the exams successfully.

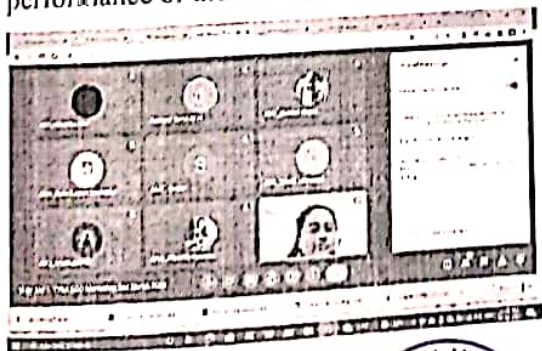

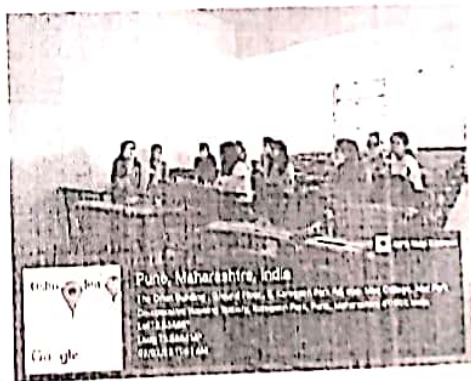

The mentor discussed the above mentioned issues and assured them that the institution will take all possible measures to support them through this transition.

Further, the mentor discussed the options for higher post graduate education with them. Some of the students wanted to go abroad and

enquired about the process for Letter of Recommendation.

Many of them indicated that they would join PG in Economics.

Another point of discussion was the feedback form filling by the students and their parents. This was done by sharing the feedback form links and encouraging them to fill the form and convey the same to their parents. It was put forth that an honest feedback from the stakeholders is what goes into improving the performance of the institution.
