## **TO WHOMSOEVER IT MAY CONCERN**

I am writing this in the capacity of owner of Emprador Academy. Ms. Friyana Munshi has been a teacher of English for students from Classes 5 to 8, in my academy from 01-Jul-2019 to 24-Mar-2020. She has showed marvelous talent and professionalism in her teaching. Her students always appreciated her methods of teaching and diligence in her work.

As a teacher, she possesses all qualities of head and heart. Moreover, her conduct with her students and colleagues has been exemplary during her stay in the academy. I am sure she will prove herself as an asset for any organization or institute she joins.

I wish her good luck for all her future endeavors.
