

Dear Ma'am

I would like to thank you and your college for allowing us to conduct an internship drive at your college.

The girls are good and have the zeal to learn, which is great.

I have shortlisted 4 girls based on the interview process we conducted.

1. Simran Magar TYBA
2. Megha Nijhon TYBA
3. Priyanka Roll no 4898 Eng Specialization
4. Simran Minwani TYBA

If these girls except the offer then they can start from Monday.

They would need to get their own laptops when they come to office.

Thanks and Regards,
