SUBJECT: Internship Completion Letter

This is to certify that **Ms. Akanksha Gadre** undergoing **Bachelors of Arts in Sociology** from **St. Mira's College for Girls, Pune** has successfully completed her one-year internship at **MANAV Pune** from **30th May, 2019** to **30th May, 2020**.

During her internship, she worked on **various social service projects** like clothes donation drive, food donation drive, plantation drive, etc. With these drives she has been able to **upgrade herself** and acquire **strong interpersonal skills** by communicating with various age groups of people. This in turn has helped her to **grow positively** towards the desired professional standards. Her **commitment** towards work, her **sheer dedication** to get better every day and her **knowledge in the field** has also made her eligible enough to be appointed as the "**Social Media Head**" at MANAV.

In this one year, Akanksha has undoubtedly been a **great asset** and has never failed to **bring value** to the organization. I **strongly recommend** Akanksha Gadre and assure you that she would keep her best foot forward in any organization she wishes to go.

It was great having her with us and we wish her all the best for her future endeavors.

If you need any additional information or skill endorsements for Akanksha, please feel free to contact me through telephone or email anytime, I would gladly try to help.

Warm Regards,

Ms. Mriti Agarwal
