

LETTER OF RECOMENDATION

DATE : 15/09/2021

I would like to offer my recomendation to hire Haripriya Praveen, she has been an HR intern for a duration of 2 months. During her internship, she has successfully managed and coordinated the entire team of E-City Vibes. She is bright, articulate, hardworking and has fulfilled her diverse responsibilities with great enthusiasm. She was completely co-operative with the Admin team and also extremely supportive with the employees of E-City Vibes. Haripriya is very determined and is fully capable to perform and learn new skills. Her knowledge, abilities and dependability makes her a candidate that can easily fit into various roles. I am happy to recommend Haripriya and answer any questions you may have with regards to her professional capabilities.
