Webinar 'Understanding Basics of Research in Business'

St. Mira's College for Girls, Pune, and Department of Commerce organized a Session on "Understanding Basics of Research in Business". The session was held on 18th September, 2021 at 12pm. Around 81 students attended the session, and one faculty and one resource person. This session of organized in a view of Understanding basics of Research in business. The Speaker for the session was Dr. Netra Neelam.

The Session started with the Introduction of the speaker Dr. Netra Neelam, Professor & Deputy Director, Symbiosis Centre for Management & Human Resources Development (SCMHRD), Pune

Dr. Netra Neelam ma'am started with a short story of her how she got into teaching and her journey. Then Introduction on Research , she says that Research is all about finding something, the absence of many distort our ability to take informed decisions and all the steps in research are interrelated and no independent is launched without considering the decision on the previous stages. After that she talks about Research design process, a research design is a blueprint used to guide a research study it includes 10 steps , in every step there is different guide, how questions are framed and scientifically placed in questionnaire the a sample size is determined and and sample technique is selected. Ma'am also told about google scholar, which helps us to read the exact right information of any topic we need to do research on. She also gave interesting examples on research to understand the topic better.
