Report- How to write a research Proposal

Department of Sociology had organized a session on **How to write a Research Proposal?** - On 27th of October, 2021, From 2:00pm to 3:30pm. The platform used for this Guest Lecture was G-meet. The speaker for this lecture was Retired Dr. Vandana Palsane HOD, Department of Sociology, Siddhivinayak College, Pune. The lecture began with the introduction of the speaker given by Gauri Raje (Tyba EM Soc Spl) and was then followed by Dr. Vandana Palsane explaining the steps and methods to write a Research Proposal. She explained in detail about the 'Literature Review' and how it begins as we start our research and ends only when the research report is completed with bibliography. She said, "If one doesn't like reading and can't do literature review shouldn't go for doing Research". She even showed a book in which one has to write down points while gathering information (book with different sections). She shared her valuable knowledge and also answered the questions that the girls asked. She gave emphasis on reading to gather more and more knowledge of the topic for research. The lecture was very interactive and the students were engaged and curious to know more about Research and how to go about it. The lecture was then followed by question and answer session. The Lecture ended by Vote of Thanks given by Garima Kundu (Tyba EM Soc Spl) to the Guest Speaker. Total participants who attended this lecture were 58.
