Ideation - CWE Activity on 5th January 2019

On 5th January 2019 the Centre for Women Entrepreneurship of St. Mira's College organized a poster making competition, 'Ideation', for their students. Mrs. Sabiha Fazalbhoy, the entrepreneurship development guide at the Symbiosis Centre for Management Studies was invited as an evaluator for the competition. Ideas and creativity are the essence of any business in today's times. Based on nurturing young women in the entrepreneurial field.

This initiative aimed at encouraging the spark amongst young learners and refining their creative ideas. Various business designs showcased steps towards an improved standard of living for us today. Projects addressing not only environmental needs but also designs of evolved luxurious products were conceptualized and presented. The plans reflected high professionalism and realism through articulate visual representation on posters.

The entrepreneurship training in form of a competition established its objective of educating students on creating value for commodities and identifying needs in the market. Commendable teamwork and spirit led to brilliant performances by all students, making it tough to select just one winner. This activity provided a framework for strengthening the application process of entrepreneurial ideas and defining a foundation for the girls to build on.

Total 90 students participated the competition.
