St. Mira's College for Girls, Pune

Sociology Special III
Research Methodology

Semester V	Subject Code: A 51712	Lectures: 60
------------	-----------------------	--------------

Objectives:

- To acquaint students with the basic concepts of Research Methodology
- To help students understand the basic stages in scientific research
- To acquaint students with the APA style of preparing research proposal and writing research report

Unit 1: Social Scientific Research

10

- Concept of social Research
 - Definitions
 - Aims
 - Motives
 - Principles
- Types
 - Pure and Applied
 - Quantitative and Qualitative
- **Ethics in social research**
- Research process
 - Steps in social research
- Data collection methods (questionnaire, structured interview, observation)

Unit 2: Quantitative Methodology

20

- Research problem, Hypothesis and Variables
- Formulating a research problem- Importance, Sources, Steps, Considerations and Operational definition
- Identifying variables- Definition and types
- Types of measurement scales
- Constructing hypothesis- function and characteristics, types
- Research design
 - Functions of research designs
 - Types of research designs- based on number of contacts, based on reference period, based on nature of investigation
- Sampling
- Concept and principles of sampling
- Factors affecting inferences drawn from samples
- Types of probability and non probability sampling methods
- Data Processing, Editing, Developing a frame of analysis (Practical Assignments)
- Displaying data: Tables and graphs.(Practical Assignments)

Jayab
Principal Incharge
St. Mira's College for Girls

- Writing a Research report -Purpose, Structure and Format- APA conventions

Unit 3: Qualitative Methodology	18
<ul style="list-style-type: none"> • Nature of qualitative research <ul style="list-style-type: none"> ○ Features ○ Steps in qualitative research ○ Main preoccupations of qualitative researcher ○ Contrast between quantitative and qualitative methodology • Positivism and critique of positivism <ul style="list-style-type: none"> ○ Feminist methodology • Methods of data collection <ul style="list-style-type: none"> ○ Ethnography and participant observation ○ Unstructured interviews/ oral history • Qualitative data analysis <ul style="list-style-type: none"> ○ Analytical induction ○ Grounded theory ○ Coding ○ Steps of interpretation • Presentation of data <ul style="list-style-type: none"> ○ Matrix ○ Charts ○ Tables • Report writing

RESEARCH METHODOLOGY FOR BUSINESS**

Semester III

Subject Code: MCM 31602

Lectures: 60

OBJECTIVES:

- To acquaint the students with the areas of Business Research Activities
- To enhance capabilities of students to conduct the research in the field of business and social sciences
- To enable students, in developing the most appropriate methodology for their research studies
- To make them familiar with the art of using different research methods and techniques

1: Business Research Methods: An Introduction

08

- Research
 - Definition and Meaning
 - Characteristics
 - Objectives
 - Scope
 - Limitations of Research
 - Types of Research
 - Pure Vs. Applied
 - Exploratory
 - Descriptive
 - Causal
- Research Process: An Overview
- Managerial Value of Business Research
 - Identifying problems or opportunities
 - Diagnosing and assessing problems or opportunities
 - Selecting and implementing a course of action
 - Electing the course of action
- When is Business Research needed?

2: Business Research Process Design

08

- Definition
- Classification of Research Design-
- Phases in Research Design

Jayab
Principal Incharge
St. Mira's College for Girls

- Research Problem
 - Formulating the Research Problem
 - Types
- Hypotheses
 - Definition
 - Types of Hypothesis
 - Formulation of the Hypotheses
 - Methods of Hypotheses Testing

3: Measurement and Scaling

06

- Concepts and Operational Definitions
- Types of Scales
 - Nominal Scale
 - Ordinal Scale
 - Interval Scale
 - Ratio Scale
- Measurement Scales
 - Single Item Scales
 - Multi-Item Scales
 - Continuous Rating Scales
- Questionnaire Design
 - An overview of major decisions

4: Data Collection and Sampling

12

- Methods of Data Collection,
 - Primary Sources
 - Observation
 - Interview
 - Questionnaire and Schedules
 - Experimentation
 - Simulation
 - Projective Techniques
 - Secondary Sources
 - Internal Sources
 - External Sources
- Sampling:
 - Concept
 - Sampling Terminology
 - Sampling Design Process
 - Factors affecting the inferences drawn from a sample
 - Types of Sampling Methods

Jayab

- Random Sampling- Simple Random Sampling, Stratified Random Sampling, cluster Sampling, Systematic Sampling and Multi-stage sampling
- Non-Random Sampling- Quota Sampling, Convenience sampling, Judgment Sampling and Snowball Sampling

5: Data Analysis and Presentation

14

- Data Analysis
 - Editing the data
 - Field Editing
 - In-House Editing
 - Coding
 - Devising the Coding Scheme
 - Computerised Data Processing
 - Analysing the data
 - Developing a frame of analysis for quantitative studies
 - Developing a frame of analysis for qualitative studies
 - Types of Analysis-Univariate, Bivariate and Multivariate Analysis of Data
 - Use of Software in Data Preparation and Analysis
 - Introduction to MS Excel 2007
 - Introduction to SPSS
- Presentation of Result: Report writing
 - Organisation of the written Report
 - Tabular Presentation of data
 - Graphical Presentation of Data
 - Bar Chart
 - Pie Chart
 - Histogram
 - Frequency Polygon
 - Ogive
 - Scatter Plot
 - Oral Presentation
- **Mode of Citation & Bibliography**: Author, Date, System, Footnote or Endnote, System, Use of Notes. Position of Notes, Citing for the first time, Subsequent Citings, List of Abbreviation used in Citation, Mode of preparing a Bibliography, Classification of Entries, Bibliography Entries compared with Footnotes

MA Economics
Research Projects
[Core Course]

Semester IV	Credits: 4	Subject Code: MEC 42003	-
-------------	------------	-------------------------	---

A regular student pursuing post-graduation will be exposed to elements of social research through a research project under the guidance and supervision of a supervisor/guide. The elementary knowledge of Research Methodology shall consolidate and deepen their understanding of various branches of Economics. The process of preparing a research proposal and a dissertation aims to train them in scientific thinking and art of systematic presentation. The purpose of the research project is to serve as experiential learning to enable them to take up the exciting field of social and economic research. An attempt is to be made to promote Student Research and encourage the learner to complete the research project and present/publish the findings of the research project.

Course Outcomes:

At the end of the course, the learner will be able to:

- Identify and recognize potential areas/topics of research around them in their day-to-day life and question them in a systematic and scientific manner.
- Construct, examine or explore a chosen topic of research,
- Demonstrate techniques of research methodology in the chosen topic of research.
- Interpret, justify or value the findings of research
- Conclude research carried out in the form of a presentation or a publication and to contribute to the existing pool of research.

Part I:

- Students shall submit a Proposal for dissertation of a minimum of 100 words for approval of the topic for research by **First week of January**. The proposal should be submitted under the guidance and supervision of a guide assigned to the student by the Department. A presentation of the proposal should be arranged by the department by the second week of January in the presence of two internal experts for the finalization of the proposal.
- A mid-term presentation should be arranged by the Department to assess the progress made by the students for due completion of the Research project in the **first week of March**.
- A Student shall submit a dissertation of minimum 6000-8000 words & maximum 10,000 words in two copies to the Head of the Department **on or before 30th March**.
- The dissertation shall be prepared under the guidance of an internal postgraduate recognized teacher as the internal supervisor.
- A set of guidelines issued by the Department should be followed while writing the dissertation.

Board of Studies	Name	Signature
Chairperson (HoD)	Dr. Soniya Chavan	SG Chavan

Principal Incharge
St. Mira's College for Girls, Pune.

Part II: An internal and external supervisor shall assess each dissertation for out of 60 marks each, based on the methodology, analysis, contents and quality of the dissertation.

Part III:

A viva voce examination of each candidate shall be held where the student will have to make a presentation of the dissertation and defend the research. A panel of two referees shall be formed with one internal and one external examiner.

The viva voce shall carry 40 marks. Internal & external examiners shall give out of 20 marks each. The copies of dissertation and the record of the viva voce examination shall be maintained by the centre for two more academic years for inspection. The Marks obtained for project work shall be included in the statement of marks of all the regular internal students.

Warning: In order the student make an original contribution and follows research ethics, the Dissertation will undergo a check for Originality (check for Plagiarism). As per UGC Guidelines, the similarity score should be less than 10 percent. The student under the guidance of the supervisor should follow research ethics and makes all attempts to present original research.

IMP: The Dissertation would not be accepted if the similarity score is above 10 percent.

Scale of Remuneration will be as per the University Guidelines.

External examiner will be appointed as per the University Guidelines.
