## To Whom It May Concern

### Re: Mrs. Sharmin Palsetia's Coordinator Role in the Nayi Disha Project - Pune

Mrs. Sharmin Palsetia has been in charge of coordinating the entire Schools Survey segment of the Nayi Disha Project – Pune, with various St. Mira's College departments and student teams. She has been involved in planning all the logistics and materials, work allocation and data collection. Thanks to her and the students, we have completed our first round of School Surveys.

Nayi Disha is a registered not for profit organization with an **online information resource platform that supports families of persons with Intellectual and Developmental Disabilities (IDD)**. The Nayi Disha website ([www.nayi-disha.org](http://www.nayi-disha.org)) has been developed with the objective of helping families of persons with IDD in their search to identify the right resources in their own city. The service provider listing includes special schools, inclusive schools, speech therapists, physiotherapists and special educators.

LIFEAsia Community Empowerment serves as the local Pune coordinator for Pune listings on Nayi Disha platform. Our main focus has been to perform surveys of the special and inclusive schools in Pune, and encourage them to be listed, so that Pune families can have access to a central source of information. The secondary objective is in the parents and private provider area.

In the first year of the project, the St. Mira's College Psychology Department, through Jaya Rajagopalan, has taken on the Schools Survey part of the project as a regular annual assignment for its students, as well as, those from other Liberal Arts Departments.

We are very grateful to Mrs. Palsetia for all her efforts and look forward to a continued association with St. Mira's College and Mrs. Palsetia.

Kind regards

**Tehnaz Ragi**  
**Clinic Director**
