Subject: Acknowledgement for your Mentoring project

Dear Respected Madam,

We, at Hind English Medium School, Gurukool Viman Nagar, Pune-14 are very happy to acknowledge the Mentoring project which you have undertaken - almost a partial adoption of two girls Ms. Sakshi & Ms. Shweta Kamble for the purpose of installing them in the real life through proper educational support till the time they could take admission in std XI and feel emotionally & socially secured.

They are from uneducated & underprivileged family wherein mother is doing household jobs and father is totally absent.

You taught them Math & science along with English throughout the year on absolutely free of cost basis. You were also successful in giving them renewed self-esteem & courage to dream higher and bigger in life. As a result, both of them cleared std X from CBSE board with 1st Division.

During this project your Mentorship-Human Creation, action leadership and human Leadership was exemplary.
