Dear Madam,

On behalf of **Helplife**, an NGO for physically challenged girls, I would like to thank you and your college for the social outreach programme conducted by you at Helplife in the academic year **2018-19**. In addition to the core group of 11 girls your college supported the NGO whole heartedly.

The students of **St Mira's College for Girls** helped train the girls and make handicrafts that were sold at various bazaars. They organised a "One Kuttori" drive to raise food, they also helped organised the All India Suman Magotra Award Ceremony. They trained the girls to dance and choreographed the fashion show.

In addition they raised money and brought about awareness on menstrual hygiene by selling sanitary napkins packaged by the Helplife residents. They also collected clothes for the girls. The students will also help write matrimonials for the Helplife girls, manage the facebook page etc. They wrote academic papers which was presented at their seminar to bring about awareness about myths and taboos regarding menstruation and differently abled bodies.

It has been a very fruitful and rewarding relationship.

Thank you

Respected Sir/Madam,

Helplife is registered public charitable trust working towards underprivileged and differently abled girls and women based at NIBM Road Kondhawa. The mission of "Helplife is to enrich the lives of the underprivileged community through precise research, focused intervention, professionalism, and innovative rehabilitation programs in diverse areas focusing on physical and emotional well being." Our registration number is E-2856.

Helplife is currently working actively for differently abled girls through their innovative internship programme with the express purpose of mainstreaming them into society by empowering them to become professionals and independent members of society. This programme addresses physical, mental and social rehabilitation of the interns that have come from impoverished backgrounds with no educational or financial support.

We are currently supporting 20 girls for their accommodation, education, travel, medical and mess/grocery expenses. These girls come from rural underprivileged background. When they enter Helplife, they have a lot of vitamin and mineral deficiencies and also low haemoglobin count. We first focus on their health and nutritional needs in order for them to build their physical capacity/stamina for them to become independent citizens in society. These girls are residing in 3 different flats around NIBM Road.

Ayushi Halder is a volunteer working at Helplife and are assisting Helplife with some activities which are beneficial to the organisation

Your support enables us to enroll more such girls in Help Life. Your help makes a difference. We truly appreciate your kind gesture.

Respected Sir/Madam,

Helplife is registered public charitable trust working towards underprivileged and differently abled girls and women based at NIBM Road Kondhwa. The mission of "Helplife is to enrich the lives of the underprivileged community through precise research, focused intervention, professionalism, and innovative rehabilitation programs in diverse areas focusing on physical and emotional well being." Our registration number is E-2856.

Helplife is currently working actively for differently abled girls through their innovative internship programme with the express purpose of mainstreaming them into society by empowering them to become professionals and independent members of society. This programme addresses physical, mental and social rehabilitation of the interns that have come from impoverished backgrounds with no educational or financial support.

We are currently supporting 20 girls for their accommodation, education, travel, medical and mess/grocery expenses. These girls come from rural underprivileged background. When they enter Helplife, they have a lot of vitamin and mineral deficiencies and also low haemoglobin count. We first focus on their health and nutritional needs in order for them to build their physical capacity/stamina for them to become independent citizens in society. These girls are residing in 3 different flats around NIBM Road.

Khushboo Anup Agarwal is a volunteer working at Helplife and are assisting Helplife with some activities which are beneficial to the organisation

Your support enables us to enroll more such girls in Help Life. Your help makes a difference. We truly appreciate your kind gesture.

Subject: Letter of Appreciation

This letter is regarding your work in the "Adopt a river stretch" program by Jeevitnadi – Living River Foundation.

Jeevitnadi- Living River Foundation works for river revival. Adopt a River stretch program was launched in May 2017. Idea is to bring together good intentions in the society, back it up with sound ecological knowledge and expert advice and convert it into meaningful action towards conservation of rivers.

Your students were part of the of the team that adopted the stretch of Mutha river in Pune city of Maharashtra. The stretch is from Bhide Bridge to Omkareshwar temple, one of the densely populated and hence, one of the highly polluted stretches of the river.

Since July 2018, as part of their internship, every alternate Saturday your team worked at this stretch, doing clean-up, spreading awareness and other activities, along with school students.

This team comprised of Diksha Allali (S.Y.BA, Marathi medium), Renuka Shelke, Kajal Kale and Shweta Dhangar of T.Y. BA Marathi medium.

Dedication of students is remarkable. It would not have been possible without equal support from the college authorities. Hence, we wish to thank the students, teachers and the college authorities for making this project successful.

You are creating responsible and environmentally sensitive future citizens of India. We hope this association of St. Mira's and Jeevitnadi continues in the same spirit in the future.

Yours' Sincerely,

Aditi Deodhar

MAJHI MAITRIN CHARITABLE TRUST

19.02.2019

To
The Principal,
St. Mira's College for Girls,
Pune.

Dear Madam,

We, 'Majhi Maitrin Charitable Trust' are an **NGO working for upliftment of women from underprivileged section of society**. We realized a need to focus our efforts on the young generation for empowering women from an early age. We have started a project, '**Project Pandita**', in Sant Jijabai Kanyashala, Dehu, Dist. Pune, a rural school run by Rayat Shikshan Sanstha, to give special coaching to about 30 girls from 8th to 10th standard with a view on clearing basics of Maths, English and Science. The girls come from economically backward class with very little or no help in their studies from parents. It has been established in our first year of the Project that if the basic concepts are not clear, it is difficult to understand progressive lessons of the curriculum. The girls get disheartened and lose interest in studies, but when the basic concepts are clear the girls can readily grasp further lessons of the subject. Their interest in studying vastly increases and they are equipped to make use of this basic knowledge for further practice, analysis and application.

In this connection we are privileged to collaborate with the Department of Business Studies, St. Mira's College for Girls, Pune. As a part of their Social Outreach we will be working together on the following -

1. 30 girl students of Class IX accompanied by 6 teachers from Sant Jijabai Kanyashala (of Rayat Shikahan Sanstha) visited your esteemed institution and introduced them to the various facilities of the college. (10 girls from the Department of Business Studies will be volunteers)
2. The Post graduate (M.Com) students of the college organized Career Guidance session and also prepared detailed handouts on the various career opportunities for the girls. (10 girls of the Department of Business Studies volunteered)

MAJHI MAITRIN CHARITABLE TRUST

3. The undergraduate (B.Com) students taught the girls some basic crafts like Quilling, Paper flowers, Best out of waste etc. (15 girls from the Department of Business Studies volunteered)

4. Games and team building activities were organized for the girls to help understand some basic skills. (20 girls from the Department of Business Studies volunteered)

5. Refreshments and small mementos were given to the girls. (20 girls from the Department of Business Studies volunteered)

An additional 5 girls from the Department of Business Studies volunteered for taking photographs and Report Writing.

We are sure that with this exposure to a different & progressive environment, the girls will broaden their perspective about future studies / courses which can be beneficial to them.

We would like to thank the Principal & HoD, Dr. Gulshan Gidwani, faculty Dr. Rama Venkatachalam, Ms. Jyoti Chintan, Ms. Rajni Singh, Ms. Shanthi Fernandes, Ms. Deepa Krishnamurthy and all the students of Department of Business Studies for their efforts in making our visit to your wonderful college with 30 girls from Sant Jijabai Kanyashala (of Rayat Shikahan Sanstha), Dehu along with 4 instructors on September 6th, 2018 a very interesting and interactive session. We wish to continue this interaction by arranging a similar visit of 9th Std. girls every year since this is a ongoing project.

We assure you that this marks a beginning of a long lasting and fulfilling exercise for all of us involved.

महोदय/महोदया,

भारत सरकारच्या युवक व क्रीडा मंत्रालयाकडून 'स्वच्छ भारत समर इन्टर्नशीप २०१८' या उपक्रमाचा अधिक काळजीपूर्वक आढावा घेतला जात आहे. शिवाय पंतप्रधान कार्यालयाकडूनही यावर देखरेख ठेवली जात आहे. राष्ट्रीय सेवा योजनेतील कार्यक्रम अधिकार्यांना या उपक्रमांतर्गत 'नोडल ऑफीसर' म्हणून नोंदणी करता येणार आहे. सावित्रीबाई फुले पुणे विद्यापीठाच्या सर्व रासेयो कार्यक्रम अधिकार्यांनी आपली व जास्तीत जास्त विद्यार्थ्यांची स्वयंसेवकांची नावनोंदणी SBSI (<http://sbsi.mygov.in>) पोर्टलवर तात्काळ करणे अपेक्षित आहे आणि त्यानंतर प्रत्येक कार्यक्रम अधिकार्याने आपल्या अंतर्गत किती विद्यार्थ्यांची स्वयंसेवकांची नोंदणी केली याचीही नोंद ठेवणे गरजेचे आहे.

तरी या परिपत्रकास विनाविलंब प्रतिसाद देऊन आपल्या महाविद्यालयातील राष्ट्रीय सेवा योजना कार्यक्रम अधिकार्यास 'Nodal Officer' म्हणून SBSI पोर्टलवर नोंदणी करण्यास निर्देशित करावे आणि आपल्या महाविद्यालयातील एकूण किती विद्यार्थ्यांनी 'स्वच्छ भारत समर इन्टर्नशीप २०१८' साठी नावनोंदणी केली आहे आणि ती SBSI पोर्टलवर ग्राह्य धरली गेली आहे की नाही याची खात्री करावी आणि त्यानंतर तर Nodal Officer कडून ती अंतिमतः मान्य करून घेऊन आपल्या महाविद्यालयातील एकूण नोंदणी सोमवार दि. २८ मे २०१८ पर्यंत nss@pun.unipune.ac.in या मेलवर खालील नमून्यामध्ये तात्काळ पाठवावी. हा उपक्रम आपल्या महाविद्यालयासाठी सुद्धा अत्यंत महत्वाचा आहे. कारण आपले महाविद्यालय केंद्रशासनाकडून या योजनेसाठी नामनिर्देशित केले गेले आहे. तरी याबाबत आपण दक्षतेने लक्ष घालावे. कळवे, ही नम्र विनंती.

Dear Ms. Wagh,

Further to our conversation on integrating volunteers in the SWaCH waste segregation and Door to door collection (DTDC) programme, we are happy to have you students join us from the week of 24th June. The programme will be for a duration of two weeks during which the students under the guidance of our coordinators have to create awareness of the availability of DTDC service and how waste needs to be segregated. We will be holding an orientation session before the start of programme.

The students will receive a certificate for internship for that period.

The students will work in the Dhankawadi area which will also include residences ranging from bungalows, apartments and slums. There will be our support staff ground for any clarifications. I am marking my colleague and director of SWaCH, Ms Aparna Susarla on this mail.

Please do reach out if you need any more information.
Best regards,

Letter of Appreciation

Dear Dr. Vaishali Divakar,

This letter is regarding participation of your students in Internship program on the adopted stretch of Jeevitnadi.

Jeevitnadi- Living River Foundation works for river revival. We believe that no river revival program would be successful without participation of the citizens. To generate awareness among citizens, we organize presentations, Toxin-free lifestyle promotion sessions, Muthai River Walk, Exhibition and participation of colleges under various projects.

This year your students of Sociology actively participated in a project jointly executed by you and Jeevitnadi under the Internship program launched by your department. About 18 students from Sociology department enthusiastically participated in the project.

Your initiative to generate awareness among students and get the young generation interested in rivers, our lifelines is praiseworthy. We are sure this will help develop a holistic attitude in them which is the need of the hour.

We look forward to same enthusiasm and participation from your institute.

We hope our association continues for the years to come.

Yours' Sincerely,

Dear Madam,

We, at PRAYATNA are happy to associate with the Departments of Economics, Business Economics and Banking of your College in the year 2019-20.

We were invited by them to put up an Exhibition-cum-sale stall at the Mira Bazaar organized on Dec 14th, 2019. Although the stall was mainly managed by two of our representatives, we were happy to note that the students of the concerned departments were very keen on providing us support by way of marketing the products made by the inmates of PRAYATNA. The items on sale included cloth bags, incense sticks, scented candles, scarves, masalas, etc. The enthusiastic response by faculty and students to the PRAYATNA stall at the Mira Bazaar helped us in generating a sale revenue of Rs.3500.

We, at PRAYATNA look forward to a continuing and fulfilling association with St. Mira's College for Girls, Pune. .

Volunteers from St Mira's College for Girls along with Team Indies in collaboration with Wadgaonsheri Animal Saviours and Kalyani Nagar Woof team were involved in census activity of Stray dogs in Wadgaonsheri and Kalyani Nagar areas. They registered about 800 dogs in both these areas in the INDIES App. The activity lasted for two months during April and May 2019.

The census recorded on the Indies App allows the area volunteers to have hands-on data with regards to number of dogs, male/female ratio, sterilization and vaccination details etc. This data can also be made available to the government agencies allowing them to use the information to draw up plans and budgets accordingly.

The census drive also ensured that the local community saw the volunteers at work first hand and were also able to share their grievances, get medical assistance for sick dogs, get puppies signed up for adoption camps.

This is to certify that the following BBA students participated in this census drive under the able co-ordination from Professor Ms Abhradita Chatterjee.

The second wave of Covid 19 has been brutal as compared to the first one in 2020. Reportedly, the cases went more than 2,80,000 in a single day in the country with shortage of oxygen, hospital beds, medicines and injections, which caused a panic and a sense of chaos across the country where people resorted to social media asking for help.

In Pune, citizens took it on themselves to bridge the gap between people who were seeking the resources and the people providing it. Bhavjeet Wallia, 22, student, says, "We're essentially trying to collate, verify and deliver information existing on public domains, to people who may need it. There are volunteers who are either trying to find information like beds or ICUs available in a particular city, making phone calls to verify leads that are found and facilitating SOS messages requesting information/resources about their specific needs." He adds

I was getting requests from relatives of patients for resources in the city.

DR GULSHAN GIDWANI,
Principal, St Mira's College

that these people are not from medical backgrounds, not emotionally prepared for horrid realities of what's going on in the world around them. "Most of these people are doing it out of an immense amount of grief, trauma and loss," he shares.

Another volunteer Nida Siddiqui says, "I was shocked that things are so bad, and we had to do

something. We made a linktree list of all the major resources we could find. I call up the numbers and verify the contacts, and check if the resources are available and share it further." She adds, "It takes a toll on your mental health. We were looking for oxygen for a patient the entire day, and by the time we procured it I was exhausted and it was really difficult."

Dr Gulshan Gidwani, principal, St Mira's College, says, "I was getting requests from relatives of patients for resources in the city and I was sharing the same with student and alumni groups to look for leads. The NSS students came together as I couldn't call and verify all the numbers and check for availability." She adds they contacted all the resources and managed to help people with oxygen cylinders, hospital beds, plasma donors and even money.

Pune: With the entire country battling the second wave of COVID-19, we need all the help we can get. Even as the fight against the COVID outbreak in the state is on a war footing, COVID patients are finding it difficult to find hospital beds. In a bid to tackle the problem, a group of 25 NSS volunteers of St Mira's College are helping the CRSA (COVID Resource Students Association) formed with the initiative of one student of St Mira's with her friend to help patients find verified resources.

COVID Resource Student Association (CRSA) is an initiative started by Taarini Das, Urvi Shetty (a Sociology student of St Mira's College) and Karuna Das. The initiative is fully run by students to help people in dire need of COVID resources by providing verified and well-researched data.

According to the group, it was important to conduct such a campaign simply because it is the need of the hour. CRSA wanted to help people with verified information so that instead of running around for resources, people could attend to the needs of their loved ones. It was also set up to boost people's morale since the association couldn't be directly involved in supplying resources.

The initiative came to life when Taarini, Urvi, and Karuna connected via social media and decided to do their bit in helping the country heal and get through these trying times. The project started in April, with only 4 volunteers. However, with the help of their respective colleges and social media, the toll has gone up to 111. The volunteers are working tirelessly for this cause.

A group of 25 NSS volunteers of St Mira's College are helping the CRSA (Covid Resource Students Association) formed with the initiative of one Sociology student of St Mira's with her friend as the work was too overwhelming for the core team. This was in response to a call by their Principal, Dr GH Gidwani to come forward and help. Together they are working on helping COVID patients and their families to get access to resources like medicines and injections keeping the government regulations in mind, real-time availability of ICU and oxygen beds, plasma donors, tiffin facilities, ambulance services to name a few.

In this huge endeavour, the NSS volunteers group is helping them in the data collection and verification of the data across the country. In a short span of three days, the team has succeeded in helping about 30 patients. The team has helped patients not only from Pune but also from the cities like Agra, Bengaluru, Delhi, Mumbai, Jaipur, Jhansi and Dehradun. This group of volunteers together were able to help around 2,000

people across the country through various social media platforms.

According to the core team, "Over the last two weeks, we've seen people cry out for help. We have helped as many as we could have. Even though the number seems small and sometimes the person in need fails to get the resources on time, this does not stop us from taking the next step towards kindness. All it takes is 20 seconds of courage to make the next call, to look for people in need, find more resources, to help as many as we can. The three of us have found a home away from home in each other."

"Finding our way back to our WhatsApp group, talking about how our day went, becoming each other's checkpoints, and we eventually have become a big family. Managing everything with college and home is extremely difficult, but the fact that we can provide someone with something that they urgently need gives us purpose –to do more, to be more and to learn more," it added.

When the CRSA volunteers receive messages from people thanking them for leads, resources or even some moral support, they feel even more encouraged to keep helping people every day.

Every day posts dire challenges, but it is the relentless spirit that keeps students motivated. With a strong workforce, they intend to stay on board as long as people need them.

Re: **Nayi Disha Resource Centre & St. Mira's College (Pune)**
Outreach Project Collaboration February and March 2022

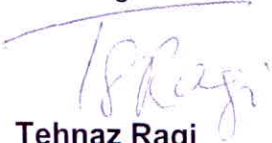

Nayi Disha Resource Centre and St. Mira's College (Pune) Psychology Department are collaborating in February and March 2022 in an Outreach Project to develop one of the national services on the Nayi Disha Online Platform – a National Directory of Service Providers for Individuals with Autism and Intellectual and Developmental Disabilities (IDD).

The Nayi Disha Resource Centre is a registered not for profit organization with an **online information resource platform that supports families of persons with Intellectual and Developmental Disabilities (IDD)**. The Nayi Disha Resource Centre website (www.nayi-disha.org) has been developed with the objective of helping families of persons with IDD in their search to identify the right resources in their own city. The service provider listing includes special schools, inclusive schools, speech therapists, physiotherapists and special educators.

LIFEAsia Community Empowerment serves as the local Pune coordinator for populating the Pune providers registration and listings on the Nayi Disha Resource Centre platform. Our main focus has been to perform surveys of the specialist service providers in Pune and other cities, and encourage them to be listed, so that families can have access to a central source of valuable provider-related information. The secondary objective is in the parents and private provider registration area.

We are extremely grateful to Dr. Jaya Rajagopalan, HOD Psychology and Mrs. Palsetia, Student Coordinator, and the St. Mira's College students for their efforts ongoing collaboration and look forward to a long-continuing association.

Kind regards

Volunteers of St Mira's College for girls, along with FarmDidi team, were involved in promoting 100% natural & authentic food products handmade by women farmers from rural India at exhibitions ('Deccan Hospitality Fest' & 'PUWO Shopping Fest') held in Pune during 4th – 6th March 2022. As FarmDidi Mascots, they interacted with about 1000+ visitors during the same and explained the importance of eating healthy food while promoting products for FarmDidi.

Farm Didi's journey starts from the farms of India and the rural women who tend to those lands that feed us all. These farmer women pick the choicest of raw ingredients, carefully put them together in their kitchens and prepare amazing food.

All Farm Didi products are 100% natural, authentic, with ingredients sourced directly from farms and have no preservatives or artificial substances. We stick to local and authentic recipes and methods of processing and preparation.

The students were trained two days prior on these events on basic selling skills & awareness of the brand ethos around FarmDidi. Overall product sales achieved during the event, apart from spreading brand awareness, amounted to INR 35,000.

This is to certify that the following students participated in this activity under the able coordination from Professor Ms Abhradita Chatterjee.
