3.7.1.1: Total number of Collaborative activities per year for research/ faculty exchange/ student exchange/ internship/ on-the-job training/ project work

REPORT

Internships- Placement cell of St. Mira's College proactively provides internship opportunities to students of all streams. This provides them with the hands-on practice that leads to experiential learning for the students. These internships aid the students to explore their career avenues. The internship selection process includes a screening test and a final selection interview. In the academic year 2019-20, our students stream-wise did internships with various NGOs and private organizations.

Jivit Nadi- St. Mira's College for Girls collaborated with Jivit Nadi to conduct a research to understand the market, equipment, machinery, economic conditions and other such issues that were being faced by the fishermen. The students actively participated in the qualitative research that was conducted.

In total there were 41 activities conducted in the academic year 2019-20.
