**Internships-** Placement cell of St. Mira's College actively provides internship opportunities to students of all streams. This provides them with the hands-on practice. These internships aid the students to explore their career avenues and take correct career related decisions. The internship selection process includes a screening test and a final selection interview. In the academic year 2017-18, our students stream-wise did internships with various NGOs and private organizations.

**Artshpere-** St. Mira's College for Girls collaborated with Artshpere a research in the area of dance movement therapy. The research aimed at studying the effects of dance movement on the body self-esteem of the college going students. The students participated enthusiastically in the research endeavor.

In total there were 7 activities conducted in the academic year 2017-18.
