3.7.1.1: Total number of Collaborative activities per year for research/ faculty exchange/ student exchange/ internship/ on-the-job training/ project work

REPORT

Internships- Placement cell of St. Mira's College proactively provides internship opportunities to students of all streams. This provides them with the hands-on practice that leads to experiential learning for the students. These internships aid the students to explore their career avenues. The internship selection process includes a screening test and a final selection interview. In the academic year 2018-19, our students stream-wise did internships with various NGOs and private organizations.

CYDA- St. Mira's College for Girls collaborated with CYDA during the Kerala flood 2018. The faculty members actively helped the organization in fund raising and providing essentials to the flood hit victims.

In total there were 36 activities conducted in the academic year 2018-19.
