**REPORT**

**Social Outreach initiative for an NGO-Deep Griha Society** was undertaken by the **Department of Commerce** for T.Y.B.Com. and M.Com. students between September 2021 to February, 2022.

In the background of COVID-19, the children of Deep-Griha were out of main stream learning where our volunteers assisted through online academic coaching in the subjects of English & mathematics from 5<sup>th</sup> to 10<sup>th</sup> Standard across all 4 centres of Deep-Griha.

The teacher coordinators initiated the registration of volunteers, organised an online session to introduce volunteers with Deep Griha Officials. This facilitated to understand the subjects in which students needed academic assistance.

Volunteers were facilitated with flexibility of scheduling the online sessions.

The volunteers prepared the Study material like pdfs and Power Point Presentations to make the coaching-learning process effective. Mode of coaching was through Google Meet Platform

Mr. Nimbalkar gave us a very positive review for the coaching - learning process. The outcome of this initiative is that the volunteers have learned collective efforts, understanding learner's attitude, exploring the subject and presenting as per the understanding of the learners.

The volunteers developed the skills such as Social Skills, IT, Research, Team-work, Coordination and Presentation Skills.

Report of Public Session on

‘Social Movements of Denotified and Nomadic Tribes’

Jointly organized by Departments of Sociology, St. Mira's College for Girls, Pune and Dattajirao Kadam College, Ichalkaranji

A joint public lecture was hosted by the Sociology Department St Mira's College for Girls, Pune in collaboration with Dattajirao Kadam Arts, Science and Commerce College Ichalkaranji. Dr. Arjun Jadhav who is the Head of Sociology Department at Dattajirao Kadam College was the Guest Speaker for the day. The program was held on Friday 24th September 2021 from 11 am to 1 pm. The session was conducted bilingually in Hindi and Marathi. 71 participants including faculty and students from Maharashtra attended the session.

A brief introduction was done by Vaishali Joshi Ma'am which shed some light on the details of the academic collaboration between the two institutions.

The topic was introduced by Dr. Jadhav by posing a question about the true meaning of freedom and independence to the audience. The concept of Denotified Tribes was then explained in detail to the students. Dr. Jadhav gave many diverse examples about the existence of different tribes and their occupations. Coming towards the main focus of the lecture, the guest speaker informed the Students about the laws enacted in the British era which notified many tribes as criminals. Later the details of the post independence law that came into force in 1953 were shared with the listeners. This particular law decriminalized or Denotified these tribes. He later meticulously described about the settlements for these denotified tribes that were functional. The layers of the settlements were subject to the amount of criminal activities of the community. The doors of these settlements were opened only in the year 1960. Thus, their concept of freedom was still left unattainable after the whole country was set free. The current status of these tribes were also thrown light upon by the speaker. What attracted focus was the gravity of their problems. They still struggle against economic, social problems. They have been facing educational backwardness and have almost negligible political representation. Because of being away from civil life, superstitions are still prevalent here. They are victims to poor health facilities and high rate of addiction. He informed about movements through literature to mobilize the masses and make them aware of these problems. What is needed is for everyone to accept them into mainstream society is what was focused upon. The session was then ended with a wonderful insight into what common public can do to improve the condition of the Denotified Tribes and how they can be made an undetachable section of the country.

This was followed upon by a very enriching question answer session wherein the doubts of the audiences were adhered to. The extremely inspiring event ended with a formal vote of thanks.

**Report**

A Guest Lecture was organized by the Department of Economics, St. Mira's College in collaboration with KES Shroff College Mumbai on the topic '**Revival of the Indian Economy: A Bankers' Perspective**' on Sept. 17, 2021 at 4pm on Google Meet Platform. The Guest Speaker was Dr.KalyanlaxmiChitta, Manager, Union Bank of India, Alandi Branch Pune, a Banker by Profession and an Economist at heart.

Dr.Chitta began stating that there was a quick policy response from the Government of India that it needs to be appreciated in response to the COVID19 pandemic. Dr.Chittadiscussed many policy initiatives- moratoriums on loans outstanding at the beginning of the lockdown, schemes introduced for providing credit to existing borrowers in times of stressed working capital conditions, soft loan terms and conditions besides small time measures such as usage charge waivers and penalties. However, she pointed out that no policy initiatives for potential borrowers or fresh loans were announced. She also shed light on the policy of privatization of Public Sector Banks and the setting up of Bad Bank but highlighted the fact that the focus has to be Recovery of loans and not dealing with NPAs.

The Lecture was well attended by undergraduate and post graduate students, faculty and research scholars from all over India.
