St. Mira's College signed a MoU with TCS (Tata Consultancy Services) for an AIP (Academic Interface Program). TCS has been conducting the AIP program since 2010 across colleges in India and abroad. The objective of the program is to make the students corporate ready while still studying in college. This objective is met by training the college faculty and students on various industry-related domains like Banking, Insurance, F&A etc. We have 13 such domains. Mr. Balanarayan G, TCS BPS - Global Head AIP, guided the staff of St. Mira's College to the AIP program. This objective is met by training the college faculty and students on various industry-related domains like Banking, Insurance, F&A etc. In the year 2018-19 faculties from Commerce, Economics, Statistics and Mathematics attended a training program in retail analytics with TCS.
