ACTIVITIES UNDER TISS MOU 2019-2020 for CWE

The cell is involved in promoting awareness on Social Entrepreneurship along with the support from TISS in various ways starting with creating an awareness amongst students by bringing to light that there can be ways to making a difference to society rather than Profit motive. WE try this through by various activities such as apart from regularly mentoring students to take up opportunities and explore Social Entrepreneurship.

1. Orientation – Date 04th dec2019

An orientation Session was organized for Students who were self-motivated. Social entrepreneurship is needed because india has a large population and limited budget. With its limited budget the government cannot cater to each and every needs of every section of the society. Hence it needs the support of people who can work hand in hand with government in uplifting the lives of its people by starting ventures who may not give very high economic prosperity but at-least something to sustain themselves where government finds itself tied due to resource constraints. So we as a college are trying to promte the same view through various activities like talks from Experts in such fields.

2. Mentoring Session – Date : 08th Jan 2020

Students were mentored for identifying organization where they can gave first-hand experience. It's a continuous process which is carried out throughout the year by conducting various activities such as Orientation, Creating Awareness and Activities. In our first session we mentored students who we identified and they were keen on exploring opportunities in Social Entrepreneurship. We identified few Projects like Interning with Sare Jahan Se achha, Aaratrika where they can experience first hand opportunities of Social Entrepreneurship.

3. Research Based Session – Date 6th Feb 2020

Interested students were mentored to look at and identify any projects which were based on Research. The lab has the facility which can support them with such activities and Teachers were also involved to explore opportunities in any research-based projects toward Social Entrepreneurship.
