

## TO WHOM IT MAY CONCERN

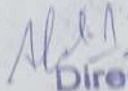

We are happy to provide this recommendation letter for Muskaan Laungani as a reference to pursue her career in Web Development. Muskaan has worked with us at MYRL TECH for 2 months from 1.05.19 to 1.07.19 as a Digital Marketing Intern where she made presentations based on projects, understanding case studies, SEO techniques with different websites and its functions like website builder and ecommerce website and even learnt some basics of UI/UX.

We would highly recommend her for any future opening in this line.

During her tenure with us she executed her job with commitment and enthusiasm. She has a pleasant disposition and developed a rapport with the team.

We wish her every success for her future.
