Payment processing Internships & Work x

SPIF Contact <contact@spif.in> to me | Mon, Oct 18, 2021, 11:18 AM | Star | Reply | More

Dear Chrislynn,

I would like to start by saying that it was wonderful working with you on the College Dekho helpline to support the students/ parents in distress. We're so grateful to have had you as a listener!

We would like to process the payment for the days you were on the shift. Please **share your bank account details (including the IFSC)** as a reply to this email. Please also share along with your payment information the days (dates) and shifts that you worked on the helpline.

We will need 10 working days to process and make the payment into your account after we get these details.

Please feel free to email us in case you need any clarifications.

Thank you..

Best,
Lin and Gayatri
