A Brief Report on School Counseling and Remediation Program 2017-18

CMHS-SCR Program was conceptualized and developed by Mr. Tanmay Banerjee (Founder of CMHS, Cert. RECBT Practitioner, MA Clinical Psychology) & Mr. Uday Nair (TFI - School Team Lead, MA Clinical Psychology). We provide Mental Health Services at Low Income Schools across Pune. Currently, we are collaborating with Teach for India, to train students perusing Bachelor's and Master's degrees in the field of psychology or allied fields.

**Details and Nature of the Program**

**Internship time period:**

The internship is provided for a period of 6 months. Furthermore, the student is expected to complete 6- 8 hours of hands-on training per week.

**Nature of Training**

The student is provided with hands-on training during school visits. Furthermore, the students are provided theory sessions via online and offline sessions. During the course of the program. The student will be provided with guidance to conduct 1 research in the area of school counseling and remediation.

**Assessments**

30 online and 15 applied assessments are conducted based on the theory lectures. The student is expected to score a minimum of 35% overall to secure training certificates.

**Evaluation and Monitoring**

Each student is provided with a worklog. Furthermore, worklogs for all assessments, lectures, school and community visits are maintained by the trainers. All students will be evaluated based on their assessment scores, daily learning, effort & impact. The Teach for India Teachers, the Principal, the Trainer provide feedback every month on the student's performance.

**Rules and Regulations**

Students have to adhere to all school rules, Child protection Policy, rules and rules laid out by CMHS. These rules are subject to change. These rules include dress code, timing and dates of visit, rules related to carrying & using prohibited items and substances.

The student is not allowed to individually visit the community. During community visits, the students are accompanied by the trainer(s) and the fellows(teachers).

**Supervisor/Trainer**

Each student is placed in a batch with a trainer. The trainer will be present to guide and train the student during school visits. All the trainers are well qualified with considerable experience in the field of psychology.

**Content of Training**

Training is providing for the following subjects: Psychological Testing, Laws: Child Safety & Protection, Counseling Procedures, Developmental Psychology, Research Methodology, Remediation Procedures.

**Benefits, Perks and recognition**

The student is provided a platform to develop her own network. CMHS provides guidance and contact for developing these connections. Furthermore, CMHS will provide its membership wherein the students will be notified of any major changes in the field of school counseling and remediation. CMHS may train the students and update their training certificates in case of major changes in the field of school counseling and remediation.
