Report for "Introduction to St. Mira's College Soul Program_ 2022-23"- 13.07.2022

The SOUL (Social Outreach United Learning) Programme by the Department of English, for the academic year 2021-22, is to be in collaboration with the Sadhu Vaswani School where TYBA S3 students from the college will be mentoring Standard 4 students from the school. The aim of the program is to help students learn spoken English and to offer support to their academic instruction. This program will introduce TYBA S3 English Special students to ELLT teaching. To this effect a session was conducted on the 13.07.2022 by College alumna, Khadija Cutpiecewala and Ayushree Nair, to orient the TYBA S3 English special students to the SOUL program. Having successfully conducted it themselves before, Khadija and Ayushree offered the TYBA girls a wealth of information and guidance. Apart from sound teaching methods and successful mentor – mentee relations several other topics were covered in the session from how to generate useful study material, planning quizzes and assigning worksheets. The alumna spoke on the positives of the program especially the imparting of teaching skills and life skills like responsibility, commitment, punctuality and leadership while also enabling the slow learners to overcome all challenges in learning English through active engagement in the course. 13 students attended the program. The program was coordinated by the subject teacher, Suhaile Azavedo
