The students collected funds for the service which was supported by college and coordinated by their class teacher Dr. Dimple Buche.

A team of students looked into collection of funds whereas another team coordinated with DeepGriha Official to identify the items required by them and yet another team looked into sourcing the items required for donation.

Collectively the Class donated the following items:

1. 2 (Two)Twin Burner Gas Stoves
2. 30 CFL/ LED bulbs of different wattage.

The students were very enthusiastic to meet the inmates of DeepGriha. The students thought towards making the day memorable for DeepGriha Children took them into organizing a birthday party for 7 children who enjoyed the Cake cutting and BHEL made by our students at DeepGriha and served to the children. The students and Deepgriha children danced together to end the visit on a happy note!
