The objective of this presentation was to create awareness about Gender Discrimination, to sensitize the students about Gender Equality for an inclusive world and to create awareness about the global agenda to break the gender bias.

The students were oriented about the IWD, 2022 **#BreakTheBias** global agenda which aims for a world free of discrimination, free of stereotypes, free of all kinds of violence, a world with inclusiveness and equality.

This class presentation was attended by 19 enthusiastic students. The session was a clarion call to our young ladies that they can unite together to free our world from Gender Discrimination! **#BreakTheBias**.

The learning outcomes sought by the teachers were to equip the young lady learners to recognize and comprehend forms of Gender Discrimination, be motivated to stand up for themselves, for Women's Rights, Gender Equality, and to evince interest in supporting any campaign for Gender Justice. The programme evinced a positive feedback from the students, wherein more than 93.8% students showed interest in supporting gender issues.
