REPORT

Social Outreach initiative for an NGO-Deep Griha Society was undertaken by the **Department of ^{ACCOUNTANCY and} Commerce** for T.Y.B.Com. and M.Com. students between September 2021 to February, 2022.

In the background of COVID-19, the children of Deep-Griha were out of main stream learning where our volunteers assisted through online academic coaching in the subjects of English & mathematics from 5th to 10th Standard across all 4 centres of Deep-Griha.

The teacher coordinators initiated the registration of volunteers, organised an online session to introduce volunteers with Deep Griha Officials. This facilitated to understand the subjects in which students needed academic assistance.

Volunteers were facilitated with flexibility of scheduling the online sessions.

The volunteers prepared the Study material like pdfs and Power Point Presentations to make the coaching-learning process effective. Mode of coaching was through Google Meet Platform

Mr. Nimbalkar gave us a very positive review for the coaching - learning process. The outcome of this initiative is that the volunteers have learned collective efforts, understanding learner's attitude, exploring the subject and presenting as per the understanding of the learners.

The volunteers developed the skills such as Social Skills, IT, Research, Team-work, Coordination and Presentation Skills.

25 volunteers participated in this activity.
