Report: - Saarthi Internship Guest lecture

Date	Students participated	Name of the event
29th July, 2021	54	Saarthi Internship Guest lecture

The session began with an introduction of the speaker Mr. Sanjay Dalmia, the CEO and founder of Open links foundation, a non-profit based in Pune since 2016. The session was joined by 58 (54 students+ 1 guest+2 faculty) participants.

In the beginning, he introduced the students to various works of the organisation and other initiatives. The mission of the foundation is to make education fun and relevant by using project-based learning, art and active classroom, promoting development of life skills in students. Their goal is to help teachers in preparing for classes by providing them with learning outcomes, activities, case studies, worksheets, lesson plans etc. This also helps in micro planning with teachers. Everything can be easily accessed and shared using tick links website. About 10,000 Lesson plans are available in both Hindi and English language.

The students were then explained about the Saarthi internship opportunities with the foundation. This 6-week internship will help students in gaining knowledge in project-based learning, building their communication skills and other skills like video making, poster making and marketing, also becoming a part of a larger community of educators and students. It was a fun and interactive session, where students showed great enthusiasm for the opportunity.
