Education Abroad and Beyond

The placement cell of St. Mira's College for Girls, in collaboration with Inspirus Education, conducted a webinar on "Education Abroad and Beyond" on Wednesday the 9th of February 2022, from 4 pm to 5 pm, for all second-year and third-year students. The webinar was hosted by Mr. Abhinav Gogoi, the Vice president - Business Development and outreach at Inspirus Education and an Education and Career Consultant.

The objective of this webinar was to throw light on the plethora of opportunities that are available for the students to pursue their studies abroad. Mr. Abhinav started the webinar by debunking a few myths on education abroad. He then gave an overview of the exams undertaken and the factors considered in the admission process. Mr. Abhinav kept the students involved in the conversation by sharing his expertise and experience. 98 students from the second and third-year actively participated in the webinar. Each and every query posed by students was addressed. The webinar was brought to an end with a vote of thanks.
