**Report on Alumni Interface on Bridging the Gap**

**Alumni workshop**

On 6<sup>th</sup> of January, 2018, a Saturday, the students of St. Mira's college for girls attended a session conducted by three alumni. Such an interactive workshop with the alumni was hosted for the first time in the college. The BBA Department took up the initiative and organised this illuminating opportunity for the students of the BBA and BCA departments. The two-hour workshop commenced at 9am in the A.V. room of the college.

The alumni present were Seemakshi. Makhijani, Monica Jedhe and Shyamli Bhojwani, experts from the fields of the corporate world, social media platforms and retail sector, respectively. They talked on how to be the best at what we do and enlightened the students with insights of their work. Being very open and honest with the students, they also spoke of all the rules, expectations and job related dilemmas that are not usually spoken of.

'work hard play hard' seemed to be their motto in life, guiding the students with the career choices yet to be made, the alumni shared their experiences and gave the students a complete know-how of life after graduation.

The students found the workshop to be a helpful, realistic image of what they could expect after obtaining their degree and entering the job market. The workshop was a major success. Many more interactive sessions like these with the alumni are anticipated.
