**Report on Visit to Shivaji Nagar Court**

On 7<sup>th</sup> August, 2018, the TY BCOM students experienced- "Being a lawyer means having the knowledge of the past and being the best judge of the future,"

through a visit to the district court Shivaji Nagar, Pune.

Law is indeed an important subject and the subject teachers therefore, found it necessary that the students should have a practical knowledge of the subject straight from the professionals.

The Shivajinagar District Court ages back to the British Era. The court was built in the year 1930. The buildings show the architecture of that era. The court currently has 9,000 lawyers working daily.

Advocate Balasaheb Bendre, senior-most practicing lawyer at the court since 1962 guided the students around the campus to see and experience the workings of a District Court on a daily basis.

The students got an opportunity to meet the current members of the PUNE BAR ASSOCIATION and the district judge, Shri Agarwal and Small Court Judge- Mrs. Lokhande. They explained the proceedings of the court and how a lawyer fights a case. He mentioned that MARATHI is the court's first language and mostly cases are fought in MARATHI.

The judges were delighted to see enthusiastic girls to come and visit the court and see its proceedings.

A group of 21 girls from all three sections of TY BCOM attended the field visit.
