Soft Skills Report 2017-2018

Day 1: 27th November 2017

Speaker: Dr. Scheel Shenoy

The topic addressed was 'Science of Positive Thinking'. She asserted that the idea of being happy is linked to staying positive. Negative thoughts should be reduced by avoiding watching negative programmes and focussing on what one wants. Thinking is a habit and the special technique to change thoughts is the 'magic rule of 21'. Repeating a good habit continuously for 21 days makes it a biological routine and a positive habit

Day 2: 28th November 2017

Speaker: Sonal Devjani

'Communication, interactions, manners and etiquettes' were the topics covered. Certain things are required for perfect manners like moral values, ethics, behaviour and most importantly respect. Varieties of etiquettes like interview, dress, classroom etiquette were discussed especially with respect to daily lives. Time and punctuality being the most important.

Day 3: 29th November 2017

Speaker: Anupama Jha

'Stress Management' was the topic of the day. Reasons for stress were pressure, the mind and external problems. There are three main types of stress: Normal stress being of the day to day variety and unnatural stress. Interviews, exams, time of the result are all stressful. She talked on fight/ flight and 'centering' as a stress reducing technique.

Day 4: 30th November 2017

Speaker: Manoj Pamnani

'Assertiveness' linked to self-confidence which translates into a positive attitude towards self and others was what was discussed. He talked to three types of behaviours: non-assertive, aggressive and manipulative. Assertiveness begins from within, teaches one how to handle people leading to good and positive feelings. It requires being focussed on one's goal, being self aware and building self esteem particularly through body language.

Day 5: 1st December 2017

Speaker: Shamala Sathe

The topics covered were 'Group Discussions and Interviews'. Generic tips on the does and don't for interviews were given. The students were guided how to prepare and talked about the myths versus the reality of interviews. She explained how group discussions were conducted, and stated the importance of data crunching.

Day 6: 2nd December 2017

Speaker: Manoj Pamnani

'Communication' linked to English is to express effortlessly using extensive vocabulary. Intonation and body language are crucial tools of communication as only 7% is verbal, 38% is vocal and 55% non verbal consisting of postures and gestures. Handshakes and eye signals were discussed along with open and closed postures.

Day 7: 4th December 2017

Speaker: Nina Gir

Nina Gir spoke on 'Presentation Skills'. The two aspects being the self and the material one presents like a resume. When presenting at an interview- communication and attire are crucial. At an interview along with etiquette one must link the company's details and mission with our personal strengths. She even discussed power point presentations and their length etc.

Day 8: 5th December 2017

Speaker: Simi Singh

She explored aspects like 'Body language and Power dressing. Power dressing is intended to show that one holds an important positions in business, politics etc. Eg: a lawyer wears a black cloak. Power dressing conveys the message that one is competent, ambitious, self-confident and reliable.

Day 9: 6th December 2017

Speaker: Sonal Devjani

'Dining etiquettes and business etiquettes' were illustrated. A group dining activity was conducted where the students were showed how to arrange the cutlery and crockery in a proper manner and how to use it whilst eating.

The students also learnt about email etiquette which is so important in the digital world of today.

Day 10: 7th December 2017

Speaker: Sujeet Shinde

The topic addressed was 'Building Confidence'. Preparation is the key. Confidence is a state of mind. It is a belief in one's ability, skills and experience. A group activity of completing a story was employed to illustrate the point.

In conclusion as always this was a very empowering programme that equipped our students with the necessary skills to go out and get a job and then successfully integrate themselves with working culture which is a mixed bag of rewards, failures and success. We are deeply grateful to Savitribai Phule Pune University for the support it extends to this crucial project every year.

Personality Development Workshop Report_31/01/2018

A one day Personality Development Workshop was organized under the Student Development Cell in St. Mira's college on 31st January 2018.

The workshop was inaugurated by **Dr. Vaishali Joshi**, Dept. of Sociology and ex- Student Welfare Officer of St. Mira's College and **Mr. Sujeet Shinde, Co-founder and Partner, Training India**, Pune. At the beginning of the programme, Prof. Haseena Shaikh, SDO, welcomed the participants and introduced the programme. Prof Manjita Kulkarni, explained the objective of this programme. She mentioned that the Savitribai Phule Pune University launched this programme to provide a platform for girl students to go beyond classroom learning and attain overall personality development. She further mentioned that in a college like St. Mira's founded on teachings of Sadhu Vaswani and Dada J. P. Vaswani, women's empowerment stands at the centre of formal education. A programme like Personality Development is implemented with a dedication to our core Mission of the triple training of the Head, the Heart and the Hands.

In her speech Dr. Vaishali Joshi explained that more than the physical personality, it is the inner strength that makes the true personality of an individual. She said that the students should have a hobby or an art. So, the students must strive to seek knowledge, develop critical thinking and must always keep themselves active. She further mentioned that the students must learn to develop an art if they don't have, so they will indulge in it and develop their personality. She congratulated the Student Development Board for having designed such initiative which focuses on the overall personality of students.

In the first session, **Mrs. Purva Rane**, a resource person from Training India, Pune. She interacted with the students on the topic **Communication Skills**. She said that personality is not limited to physical aspects, rather it is largely related to how we manage our skills and emotions. She said that the expressions, gestures, movements, tone of voice are related to communication skills. While communicating in formal and informal way, suppressing emotions is not right and the best way to have control on our own lives is through dealing with the emotions in right sense.

She guided the students with effective techniques to communicate in a formal situation as well as informal, the students used those techniques and performed in a role-play. She told the students that it is important to instruct the mind to develop in an affirmative direction. Letting fear and tension control ourselves leads to stress and it is very important to share tension rather than suppressing it. She motivated the students to share and communicate effectively. This session set a very positive and motivating tone for the workshop.

The **second session** was on Motivation and self -belief conducted by **Mr. Sujeet Shinde**, a co-founder and partner of Training India, Pune. This was an interactive session focusing on concrete themes like self –motivation, building confidence, goal-setting and how to achieve them. He convey the message with the help of effective storytelling. He told the students to be focused on goal attainment with positive thinking and attitude. He explained in a very convincing manner how important it is for a youth to set goals and be aware of the difficulties in achieving these goals. He also guided them about how to avoid chaos and confusion in goal-setting and goal achievement. He used various interactive techniques and involved students actively in the session. .

The **third session** was on power of positive thinking conducted by **Mrs. Sonika Shah**, a resource person from Training India. She conducted an activity based session on Image of an adolescence . She first explained the meaning and importance of image. She said image has to be consciously developed. She gave some tips for grooming and pattern of behavior at the professional levels. She made the students feel very comfortable to open up and express themselves freely. Through the video clips and innovative activities she convinced students that appearance, style, etiquettes are important aspects of our personality. She also made students aware about the role of positive thinking in personality development.

At the end of the workshop, Prof. Manjita Kulkarni delivered Vote of Thanks.

Students participated in the programme with full heart and enthusiasm. The speakers and participants gave a very positive feedback of the workshop.

Department of English: Report Language Lab 2017-18

Number of participants: 228

The Language Lab has been used to improve the skills of both advanced and below average learners of English. A teacher, Roma Dar, was specifically trained and appointed to ensure that students from each of the following classes had at least one session per week. Since the lab has 10 computers the students came in batches of 10 for about 20 minutes minimum based on the size of the class. In the year 2017-18 a total of 228 students benefited from the use of the Language Lab. FY, SY and TYBA Marathi medium students did basic courses using the Oreill software. The topics varied from vocabulary, saying thank you to self introduction and errors in English.

For the more advanced students, that is the TYBA English special students, courses on phonetics and grammar were prescribed.

Students were also permitted to come for extra sessions if they wished.

Nagamandala: Storytelling by Chetan Shetty

Number of participants: 117

On Tuesday, 11th July 2017, CEO of a multi-national company Extensia, Chetan Shetty spoke to the girls of the FY, SY and TYBA about the importance of English, creativity and ideation. He spoke to them about internship opportunities available at his company and what he was looking for

He then elaborated on the ancient art of storytelling as part of Indian culture and its importance in society. This was followed by a spellbinding narration of the thought provoking story 'Nagamandala' based on the play by eminent actor, director and playwright Girish Karnad.

The story was about a young girl who was neglected by her husband. Due to a magic root a cobra fell madly in love with her and appeared to her as her husband. On discovering she has conceived his child he advises her not to tell anyone and when her pregnancy is discovered she must ask for the snake test. The entire village congregates to see this spectacle and when the Cobra wraps himself in protection around her neck the village declares her a goddess. The husband, wife, child and cobra live happily ever after.

The discussion that followed the story threw up many reactions. Some felt a woman is respected only as a deity and not as a woman. Others felt the cobra and husband were one and the same. Chetan's interpretation was that society pressurises men in the name of being macho to be cruel and harsh with their wives, however, in private they can be emotional and vulnerable as they do not have to live up to societal expectations. It is when the village (society) gives him licence to worship his wife these two sides coexist harmoniously.

All in all it was a very rewarding and thought provoking session which was delightful to watch.

REPORT : Editing and Writing for Wikipedia

The Department of English organized a guest lecture on 'Editing and Writing for Wikipedia' on the 15th of July, 2017. Dr. Abhijeet Safai was invited for the lecture. The lecture was organized for the TYBA EM class but was open for all to attend. Although a doctor involved in clinical research by profession, Dr. Safai has been actively editing articles on Wikipedia since 2011. He has also drafted about 90 new articles on the online encyclopedia. He gave the girls a basic understanding of what Wikipedia is and how it functions. He also shared some ideas on ways of editing for beginners and the benefits that one can expect from such volunteer work. The students were also taught how to create an account for themselves to start editing and encouraged to take on translation of articles which will help several non-English speaking Indians make use of the encyclopedia. The lecture ended with an engaging question answer session.

Teach for India

Number of Participants: 152.

Devashish Taknet, a Teach for India fellow, from Ahmedabad came and spoke to the girls at St Mira's on Wednesday, 2nd August 2017 about becoming a Teach For India Fellow. The aim of the talk in addition to being an annual social outreach program was to celebrate everything dear to our revered Dada J.P. Vaswani on his 99th Birthday.

In his presentation, he addressed various challenges the nation faces like poverty and lack of education. It was shocking to know that 76% of the population drops out before the tenth standard. The loss to the nation is tremendous as it is a failure to utilize human potential.

Through a series of delightful videos of students in corporation schools supported by Teach For India our students were made aware of the impact of a good education and their ability to make a difference in nation building and surmounting the challenges that cripple our country.

They also realised the value education that was being imparted and the difference it made to the young children's lives. Freny Daruwalla offered to collect names of volunteers who would then start helping out at Teach For India so all in all it was a very rewarding session.

Activity Report

Inauguration of LitClub

Slam Poetry

Number of Participants: 55

On the 8th of August 2017, 2 pm in the A.V. Room, the students inaugurated the Litclub a venture by the students to ensure that all students from all streams enjoy contemporary young literature in a non academic way. To set the ball rolling Dr Snober Sataravala invited Karthik Rajan a young but nevertheless famous slam poet who compered for international artists like Sarah Kay and has had been an invited speaker on a TED Talk. On the career front he is a sound engineer who helps make films for advertising agencies.

Apart from a brief lecture on the history and feminist position of slam poetry he explained that it basically was a platform to speak about issues that concern civil society. He then showed several wonderful videos of different poets and commented on them. A student came up and read her poetry and it concluded with his performance of his poem trees.

The programme was a great success and the next meeting of the club will be a discussion on 'The Game of Thrones' led by Ms Komal Tujare.

Activity Report

Nehru's Letters to Indira Gandhi

Number of participants: 60

On Tuesday 29th August 2017 Dr Swapna Nayudu addressed the students of the FYBA on 'Nehru and his Letters'.

Dr Nayudu presently holds fellowships at the London School of Economics and Political Science, London, and also at the Centre for Policy Research, New Delhi. Dr Nayudu took her PhD from King's College London and has presented her research in different capacities at the University of Cambridge and at Harvard University. Dr Nayudu is particularly interested in the Cold War and India's role in it. Speaking to that interest, she specialises in conducting archival research in the Cold War languages i.e. French, Russian, German, and is involved in projects on themes within diplomatic history, UN peacekeeping and the global history of ideas.

She took the girls on a photographic journey which provided not just glimpses of Nehru the man, but also how important his letters were in policy making and shaping the future of this nation. Photographs with Sarojini Naidu, Vijay Lakshmi Pandit, Gandhi and Tagore. In fact the fact that we have women's colleges is a concept that evolved from those letters.

The lecture was highly informative and a rewarding experience for the students.

Nirbhay Kanya Abhiyan Workshop Report (17th to 19th January 2018)

Nirbhay Kanya Abhiyan was organized in St. Mira's College from 17th to 19th January 2018 with an objective of inculcating fearlessness among girl students. Fearlessness is seen as an important personality trait which refers to both a physical and mental ability to control and cope up with one's social environment. In case of girls, who face the gender bias in all walks of life it is a great challenge to inculcate the value of fearlessness. In recent years, when on one hand we see women working in all fields equally with men, the incidences of abuse and violence against women are also consistently rising. For becoming a fearless women, a girl does not only requires education, social or family support but also be financially independent. So, a campaign like Nirbhay Kanya Abhiyan is very essential in helping students understand structural constraints that restrict their freedom and learn ways and strategies to deal with them. On 17th January 2018, the Abhiyan was inaugurated at the hands of **Dr. Gulshan Gidwani, Principal of St. Mira's College**. In the inaugural session Prof. Manjita Kulkarni welcomed the participants and presented the details of three day's programme. Prof. Hasina Shaikh explained the importance of the campaign and appealed to students to participate wholeheartedly and make efforts to change oneself in the direction of fearlessness.

The first session was on **Self- Defence** conducted by **Mr. Balkrishna Bhandari, Sports Coach and Taekwondo Expert**. Mr. Bhandari first explained how self defense is very closely related to self-confidence. He said that in today's world when incidences of abuse and violence against women is consistently increasing, the first and obvious reaction of the family is to increase restrictions on girls. This affects their self-confidence. Instead, if the girls are taught to protect themselves, they can move around without any fear. Mr. Bhandari then showed simple means of self-defence which the girls can use to protect themselves in regular situations like bus travel. Then he demonstrated self-defense tactics to be used in situations of physical violence or eve-teasing involving physical abuse. He showed how simple techniques using one's reflects can be employed to defend oneself. Mr. Bhandari then demonstrated with the help of volunteers some very useful self-defence actions which the girls have to learn only through regular practice. He then conducted an elaborate practice session for students of all self-defence tactics he had shown. At the end he said that self-defence exercises must be practiced on a regular basis and not remain only at a workshop level where most participants forget it very quickly. Girls promised that they will imbibe it properly as they have understood the importance of self-defence.

The second session was on **Nutrition and Diet** conducted by **Mrs. Varsha Nandedkar, a specialist in Nutrition**. She explained the importance of diet and nutrition for adolescence. She explained the meaning of diet, its vital nutrients for survival and helps the body function and keeps healthy. She explained the importance of protein, carbohydrates and fats. She gave number of examples for healthy diet in day to day life. She suggested students to have milk, fruits, vegetables etc. It was an interactive session where students asked their queries regarding health, weight loss and weight gain. She even focused on physical fitness with the help of exercises and diet. She guided the students for diet plan and asked them to follow for maintaining health. She insisted that small meals at small intervals are good for health. She even told the students to get their tiffins and don't have junk food, as it is not good for health. Overall, the session was very inspiring for the students.

The first day programme was concluded with vote of thanks by Prof. Manjita Kulkarni.

2nd Day, 18th January 2018

On the second day of the workshop, the programme began with the first session on presentation by Prof. Abradhita and Prof. Shanti, members of Centre for Women Entrepreneur Cell (CWE) at St. Mira's College for girls, Pune. They informed the students about the establishment of CWE, its purpose and what are the activities that the cell undertakes. They encouraged the students to attend the programmes organized by them like guest lectures, field visits, etc. They even appealed if the ex-students or they themselves are interested to start their self-employment then assistance can be given by guiding them in all aspects.

The second session was on **Financial Employment** was conducted by **Mrs. Soniya Sumant, an Entrepreneur as well a Manager at Just Dial**. She demonstrated how perfume, deodorant and fragrant essential oil (attar) are made in a very easy way. She explained the ingredients required for perfume. Then step by step the procedure was narrated as well as she was practically doing it. She asked some students to come forward and do it practically so that they can get hands on experience. She explained the financial and marketing strategies. She guided the students regarding the availability of the material required for making perfumes. She also threw light on her journey of becoming a successful entrepreneur. All the students were influenced by this session

The third session was on **Self-employment for women** that was conducted by **Mrs. Gargi Sharma, a successful Entrepreneur**. The session threw light on her beautiful world of creativity which includes home décor, handmade jewellery, craft, gifting ideas, chocolates with an endless list of excellent ideas. She shared some glimpses from her journey of becoming a successful entrepreneur. She proudly narrated that she is employing many women under her supervision. The students were inspired by her unique creative ideas and were influenced on being an independent and successful self employed women who can fearlessly overcome the hurdles that comes in the way of travelling at the at the peak of success.

The second day was successfully concluded by conveying vote of appreciation to all the resource persons by Prof. Manjita Kulkarni

3rd Day, 19th January 2018

On third day, the first session was on Women security conducted by **a team of Lokayat, a NGO working in the field of gender equality and community development**. The first speaker was **Mrs. Alka Joshi, a member at Lokayat**. The session involved making girls aware about the structural constraints in form of patriarchy and discussing strategies to fight against the gender bias. At the beginning of the session, she narrated two stories regarding women security, it lead to an impressive discussion..

It helped students to open up and share their experiences. Mrs. Alka Joshi explained how violence against women is deeply rooted in the patriarchal structure. She said that women are still treated as part of family or community and not as independent individuals. She further stressed the need to build support groups of youth to bring in change at social level.

The second session was on **Law and Women** conducted by **Miss Anita Mahadik, a member of Lokayat**. She created awareness about law related to women. She also explained the importance of

Activity Report

Centre for Social Research (CSR), a non-profit organisation based in New Delhi, conducted a workshop at St. Mira's College on the 27th of July 2017. The workshop was conducted by Ms. Priyanka Londhe and Ms. Suhasini Mukherjee. This was the second year in succession that CSR was conducting the workshop at St. Mira's, sponsored by Facebook and Twitter. The primary objective was to educate youngsters on online safety especially on social network platforms. Incidences of hate speech, online abuse, and trolling and the several ways in which one could deal with these various forms of abuse was discussed in detail. The advantages and necessity of reporting the same to cyber security cells was addressed. Several cyber security links, including CSR's own cyber security contact numbers, were shared with them to help them ensure their safety, handle extremely personal and abusive online attacks. The lecture was well attended by 160 students.

"**Know your laws**", an exhibition to create awareness regarding various Business and Labour Laws was organized by the students and faculty of Departments of Business Studies and BBA . It was inaugurated by **Principal Dr. Gulshan Gidwani** in the College library on **5th of July, 2017**. **A one of it's kind and a never held before exhibition!**

The exhibition mainly focused on women rights for which a **Street Play was prepared by third year B. Com students**. The topics taken up for the street play mainly focused on laws such as Maternity Benefit, Inheritance, Dowry Prohibition, Equal Remuneration and Domestic Violence Acts. Apart from the street play, students also prepared **posters** displaying Commercial Laws, Labour Laws and Glossary of Legal Terms. This gave them an opportunity to get an insight into complex and technical terminologies in the field of Law.

Students of BBA prepared a video of various laws and power point on dictionary of legal terms to further create awareness related to these laws.

The **College library** also took initiative to promote the reading of law books available at the library and hence **displayed the books** available and Bare Acts with the library.

The exhibition also included display of recent books on various laws by a renowned law book vendor of the city - "**Ajit Law Book Depot**". The books on Intellectual Property Rights, Labour Law etc. and Bare Acts were available for sale to students and teachers.

The students were guided by the faculty, namely Prof.Dr. Dimple Buche, Prof. Minakshi Balkwade, Prof. Rekha Kankariya, Prof. Abhradita Chatterjee, and Prof. Isha Mehra.

OUTCOME:

Total 171 students attended and gained the insight of the exhibition related to various laws of country specifically related to the rights of women.

Guest Lecture on IPR

On 18th of September, 2017, a guest lecture was organized for the students of TYBBA on the topic Intellectual Property Rights. The guest lecture was delivered by **Advocate Shailendra Pathak** – an expert in intellectual property. He has many accomplishments, including BSL LLM (Pune University) and a Diploma in Cyber Laws. With his expertise lying in the fields of Corporate Contracts, International Law, Intellectual Property Management, and consultation, Mr. Pathak was able to give the students relevant and first-hand examples.

Students got an indepth understanding of the law on Intellectual Property. Mr. Shailendra began by explaining the terms "Intellect" and "Property". He illustrated how the industry and the public in general first leaned towards engineering, then towards IT. As of today's scenario, the industry relies on knowledge and is evident through the innovative and unique startups that have come up today. It is with this topic in mind that he shifted to the need of the hour - intellectual property and the importance of protecting it.

The highlights of his talk were the inspiring real life situations that he himself had been in. He also covered the topic of business *ideas* and the need for protecting them. He explained how they didn't fall into any of the above categories but there were alternate ways to protect these ideas; the main one being preserving trade secrets.

The lecture was received with admiration by the students. Mr. Shailendra's upbeat and enthusiastic personality was contagious and was caught on by the students. They, too, expressed their amazement and interest in the topic of Intellectual Property with immense participation.

Course Structure for a Credit Course in Python Programming

Objective

The primary objective of this credit course is to prepare students in industry oriented python programming techniques. This will help them solve real world technical problems with programming, facilitate them to gain confidence in programming concepts, computer science concepts and other day-to-day activities in the life of a software engineer making them better resources.

Requirements

Python is relatively simple but very powerful programming language. Hence although this course can be attended by a complete noob, it is recommended to have following requirements met :

- Basic know-how of computer systems
- prior knowledge of at least any one programming language.
- Introduction to computer science concepts like operating system, computer networks.
- Easy access to computer and Internet

Lessons

1. Introduction
 - introduction to python programming language and know how of the tools and techniques to be used
2. Programming basics
 - Syntax, Statements, Variables, Operators getting the ground work done for python.
3. Loops and Control Structures
 - for, while, if-else etc. the crux logic creators of the program
4. Strings
 - Simple yet most powerful and widely used data structure.
5. Lists and Dictionaries
 - Python's favourite data structures explained.
6. Functions
 - writing reusable code in the form of python methods
7. Classes and Objects
 - Object Oriented concepts with python
8. Advanced Data Structures
 - List, Stack, Queue and other data structures in python
