Date- Friday 10th July 2020

Time- 4.00pm to 6.00 pm

Speaker- MR. PRAVIN BUGE, Career Counsellor, The Unique Academy, Pune

The lecture on "Banking and Other Competitive Examinations" was organised by the College with the objective of introducing students to various career options after graduation.

Mr. Buge elaborated on the various Banking exams and how students should prepare themselves for these exams. He discussed the structural organisation and hierarchy of the Banking system in India and the benefits of government jobs. He explained to students about how Banking has highly evolved as a corporate career.

Mr. Buge also introduced students to SOs which requires specialization in other non-economic fields like IT, Law, HR, Marketing, Hindi, etc.

He then explained the entire process of the Banking exams elaborating on the papers and marking system for the same.

The highlight of the session was an interaction of the students with the Speaker's brother, Mr. Pradip Buge, Chief Manager, UCO Bank, Hong Kong. He was kind enough to guide the students on the practical aspects of working in a bank, how one can move up the hierarchy and even work in international branches. This interaction definitely motivated students to give a serious thought to a career in banking.

The session concluded with a Q&A session wherein students directly asked questions to the speaker not only on banking and its choices but also were counselled on career choices they can make with their current qualifications.

This session was well received by students from different colleges and universities. More than 200 participants attended this online lecture
