Report-CHRISTMAS PROGRAM 2017-18

The Cultural Committee of St. Mira's College organized a Christmas Program on 19th December, 2017, before the college could go on a winter break. It was a grand event celebrated in the Sanctuary Hall at 8:30am.

The program was a story about 'the Birth of Jesus' and an 'Untold Story of Christmas' which had a fusion of over seven songs accompanied by a guitar and bongo. 27 students participated in it filling the place with energy and making the program a memorable one.

St. Mira's College for Girls celebrated its annual fest 'Mira Bazaar' on 16th December 2017. 'Mira Bazaar' is an endeavor of the Centre for Women Entrepreneurship (CWE) which is an initiative of Departments of Business Studies and BBA. The CWE seeks to achieve the spirit of entrepreneurship through educational programmes, events, activities and research.

The Mira Bazaar was inaugurated at the hands of Mrs. Soniya Konjetti, founder of PULA – an online platform for bringing together women entrepreneurs and Mrs. Shaila Limaye, Managing Trustee - Majhi Maitrin.

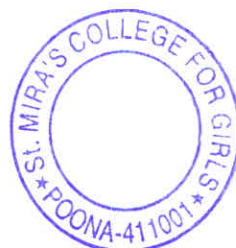

The event primarily aims to inculcate and hone the multiple skills of research, costing, production, promotion and customer service amongst girl students across all faculties. Further, the outside participation challenged the students for better strategy and execution.

Around 50 Stalls of foodstuff, handmade jewellery, clothes, accessories, candles, greeting cards, cosmetics, games, health products, mehendi, tattoo art etc. with 200 participants including participation from outside the college. The stalls exhibiting hairstyling was very popular amongst the visitors. DJ Ashley added to the enthusiasm of the Bazaar.

The outcome of the event was not only impressive footfalls and profit earning by the student participants but also the knowledge, skill and competence building in the areas of market research, product planning, costing, marketing and tactical execution considering environmental factors.

Report of the Event :- Onam 2017-18

Onam is a harvest festival with its origin in the state of Kerala. The celebrations are spread over 10 days with activities like Pulikali, Onam sadya, Pookkalam etc.

Thiruvonam was celebrated on 4th September 2017 by the students of St. Mira's College for Girls.

The Student Council decorated the sanctuary in a subtle manner with a tinge of gold and white. A vibrant Rangoli and the traditional "Villakku" or lamp created a warm, festive atmosphere.

The fact that majority of the Students, Teachers and Staff were dressed either in the traditional Kerala attire or in shades of gold was a pleasure to the eye. Students Council actively participated in organising the event and the entire college attended the event during the sanctuary session.

Though the Programme did not comprise of multiple acts, it was justifiable in terms of its appropriateness to the occasion.

- The routine morning sanctuary was followed by an intricate PowerPoint presentation and a video that grasped the attention of the spectators.
- Students spoke about the 10 day celebration, its significance, the grand feast and games associated with the festival.
- The programme concluded with a rendition of Mohiniattam (classical dance form of Kerala)

Total 48 students participated in the event.

Report of the Event :- TEACHERS DAY 2017-18

On 11th September 2017 the council organised a special sanctuary in dedication to all the teachers of St. Mira's College for Girls. The colour code for all the teachers and council members was blue.

In order to do something different, the council girls composed a modified version of the song - Tum se hi. The song was sung by the council members- Soon after that, a short thought provoking presentation was showcased to the students and teachers which was prepared by Munazza, Supriya and Freny.

The event wouldn't have been a success if it wasn't for the team that worked behind the scenes in decoration, discipline, and coordination. Every other council member made sure that they lent a hand to ensure the smooth running of the event.

The teachers were given handmade bookmarks as a token of love from the students and council. The event ended with the Principal, Dr. Gulshan Gidwani, saying a few words of appreciation for all the teachers who have been the sculptors and creators behind the students growth and success.

Teachers day was celebrated in St.Mira's college for girls on 13th of September 2017 in the college auditorium.The event was organized by the Student Council to display our love,acknowledgement and recognition of all the hardwork put in by our everloving teachers who sculpt our development.

There were games only for the teachers of reciting dialogues of different actors, the winning prize were delicious chocolates. A mashup of all retro songs was sung by the student band.

This event was a complete stress buster for the teachers from their hectic schedule .They moved into the relaxed mode of laughter,joy and energy.

The programme ended with a souvenir packed with letters written by the students along with mouth wateringchocolates gifted to the teachers made by students showcasing their entrepreneurship skills that made their day. The show was a grand and glorious success ending with a vote of than

Report of the Event :-HELPERS DAY 2017-18

On the 19th of January 2018, St. Mira's College for Girls celebrated helpers day in order to thank them for their work towards college and students. It began with a special sanctuary which was introduced by Pooja Gawali. This was followed by a power point presentation, consisting of photos of the helpers created by MunnazaGudakuwala. The oldest helper, Sataram Motwani kaka was invited to felicitate each helper. He was then felicitated by the principal, Dr. Gulshan Gidwani. All the helpers were overwhelmed by the preparations done to make them feel special.

During the day, activities such as ringing the bell, watering the plants, cleaning the campus were done by the students voluntarily. At 1pm games were conducted on the sports ground for the helpers which consisted of musical chairs, guess the movie (Dumb charades). The helpers enjoyed thoroughly and were very happy.

Later, the principal, Dr Gulshan Gidwani was invited and lunch (veg biryani, raita and jalebi) was served to the helpers by the teachers and students. The sight of the principal, teachers, students and helpers having lunch together was great and eye pleasing. The helpers expressed their gratitude by giving chocolates to all the student organizers and volunteers. The program concluded with a vote of thanks. The message that every work is equal and important was made clear through the entire program. Total 26 students actively organised the program.

Hi Mehak,

Thank you for taking the time to speak with me after completing the TEDx Event Lesson online! It was a pleasure to meet you and to learn more about your plans for the proposed TEDx event at your school. The TEDx team has now finished reviewing your proposal.

We are pleased to inform you that **your application for TEDxStMirasCollege has been approved!** You should receive a separate license confirmation email which will provide more information and resources.

As you continue to develop your event, there are a couple of points that we would like you to bear in mind:

Moving forward, we encourage you to be mindful of the overall balance of the program, making sure that there is only one speaker per topic area. This will help to maintain an informative, engaging, and dynamic experience for the audience. In addition to diversity in subject matter, there should also be diversity in the tone and format of the speaker's idea.

For additional guidance, I recommend looking through the [TED2012 program guide](#) — in this brief overview of the program, you can see the extensive range of ideas and perspectives: how vulnerability leads to innovation, the importance of design, how cities make us smarter, energy into music, a peace activist speaking on behalf of women and girls across the globe. In this small sample of talks (taken from a much larger program), the speakers touched on communities, art, psychology, music, social issues. Even though some of the talks fall into the same broader category (psychology or art, for example), each speaker's argument has been narrowed down and transformed to make some larger application, allowing the talks to completely stand alone from the others.

Please also remember to take extra care with the claims presented from your stage, particularly those addressing potentially sensitive social issues. Remember that these events are intended to facilitate positive and exploratory dialogue, and shouldn't seek to state claims on what is right or wrong, unless supported with legitimate, peer-reviewed evidence. Feel free to review our [Content Guidelines](#) for more on this.

Finally, you will notice this application was approved without the proposed event date, and instead with a tentative event date of November 19, 2018. This is because the suggested date (January 20, 2017) is now too soon! Per our website, it takes at least 3 months to plan a TEDx event with live speakers. Finding good ideas, developing idea-driven talks and rehearsing with your speakers takes time. Please select a new date for your event (***the event date your application was approved with serves only as a placeholder***). You should leave at least three to four weeks between your event and other [TEDx events in your area](#).

Once you decide on a later date, you do not need to inform us, but you will need to update your event page to reflect this change. To do this – and to make any other logistical changes to your event – you can log into your TED.com profile, select 'TEDx Events' in the drop down menu on the top right corner, follow the link to the 'TEDx Event Manager' page, and click 'edit event' next to the event you wish to change. **Please ensure that you fill out the date, time and event location**, otherwise the changes will not take effect.

If you need more information, please see our FAQ on editing [your event page](#).

Have a wonderful event!

TEDx ST.MIRA'S COLLEGE- The Elephant in the Room,

TEDx- an event created with a mission for "ideas worth spreading" . On 3rd of March, 2018, Saturday, a TEDx event themed 'The Elephant In The Room' was hosted at the St. Mira's College for girls, Pune. It was hosted and organized ny the students of the BBA including organisers Mehak Mewawalla and co-organised by Urvi. Solanki under the insightful guidance and mentorship of Prof. Abhradita. Chatterjee. Nahvi. This initiative by the BBA department was a defining moment for the college as it was the first and successful TEDx event in the college.

As the phrase suggests, the event elaborated on various issues that are not addressed to, in a conservative society like ours. The theme could not be more apt. It is the need of the hour in today's times. Talks by the judicious speakers were given on various "elephants in the room" we all come across on a daily basis. The talk satiated the need for such crucial knowledge being imparted amongst the girls of the college. The event was a combination of live speakers and TED talk videos.

Bindumadhav Khire-Gay Activist, Justin. Rayne Nash- Life coach, Onkar. Khullar- also known as Digital Gandhi, Dr. Ravi. Abhyankar- mental health professional, Alekh. Sangal- inspiring actor and producer, Anshul. Bafna- business psychologist and Pushkar Bendre- Pune's leading stand up comedian were the speakers who graced the event with their presence and talked about various elephants in the room that they face day in and day out.

The mesmerizing performances by The Earth Magicians- a jazz fusion world band and to top it all- a ballet dance performance by Neha Sujani's ballerinas added to the luxurious experience.

Delicious delicacies were arranged for breakfast, lunch and high tea. All the attendees were given goodie bags that pervaded the theme as souvenirs of the event.

This local event was a base of the strong foundations set by our Principal and guide- Dr. G. H. Gidwani for the students to build on. The greatest purpose of the event was to hope, that throughout the course of this day, we all would learn, grow, expound in our mindset's and in turn become a source of change for others.
