

St. MIRA'S COLLEGE ALUMNI ASSOCIATION

Report on Alumni Activities 2019-2020

Under the initiative "Know Your Alumni", the Department of Computer Science invited Ms. Prerana Polekar, one of our prestigious alumni of Batch 2009-10 for an interactive session with the students on 25th January 2020. Ms. Polekar is currently working with 'Accenture' as an Application Development Lead. She shared her experience during her college days and guided the students on the career prospective. She also shared the 10 motivational things she has learned in her journey at college and at work. It was an interactive and happy event of meeting ones 'senior' and the students had many queries of their own on studies, career and many other things.

Ms. Aparna Prabhudesai, our alumna from the B.Com, 1990 batch was the Chief Guest for the Annual Sports Day Celebrations on 19th December 2019. Ms. Prabhudesai is an athlete who has run more than thirty half marathons and half a dozen full marathons. She is first woman from the State of Maharashtra to have summited the Mount Everest from the North side and holds the distinction of being India's oldest woman on Mount Everest. Ms. Prabhudesai, expressed her gratitude to her alma mater for her success. The students cheered as she shared memories of her college days and her journey to a successful life amidst all challenges.

Ms. Rupal S. Gesota, our alumna of 1995, BA-Economics, conducted a compulsory credit course on Yoga for the Post-Graduate students of our college across all streams from 29th August 2019 to April 2020.
