

St. MIRA'S COLLEGE ALUMNI ASSOCIATION

ANNUAL REPORT ON ALUMNI ACTIVITIES FOR THE ACADEMIC
YEAR 2020-21

The St. Mira's College Alumni Association opened their account of the series of annual activities for 2020-21 with a webinar on 17th June, 2020 titled 'Entrepreneurship for Tomorrow' for the fellow college students. The three esteemed alumni speakers presiding over the webinar were Dr. Sunita Adhav, Principal of Modern Law College, Pune; Ms. Kirti Singh, HR Project Manager Vmware Bangalore; and Ms. Mihika Bhanot, International Image Consultant and Entrepreneur. The President of Alumni Association, Ms. Kashmiri Parekh along with the Assistant Professors Ms. Dimple Buche and Ms. Smita Borkar hosted the wonderful event. Dr. Sunita Adhav gave an insight to the career in Law and encouraged the students to remain optimistic amidst the prevailing corona pandemic situation. Ms. Kirti Singh emphasized on the importance of LinkedIn profile, internship and a Masters Degree. Students were also taught the six steps of facing an interview. Ms. Mihika Bhanot expressed the value of soft skills. She shared her experience about how perception can bring in transformation, personal growth and success.

On 29th October 2020, the St. Mira's College Alumni Association undertook a noble initiative under the Social Outreach Programme to donate a handsome amount of Rs. 22,000 to Ms. Ashlesha Onawale, the Director of Deep Griha Society to help needy students face the challenges of Covid-19. Founded by a medical practitioner Dr. Neela Onawale and her husband Rev Bhaskar Onawale in 1975, Deep Griha Society is an independent charitable organisation working to better the lives of low income, informal communities in Pune. St. Mira's College, following the footsteps of the Great Saint, Revered Dada T. L. Vaswani, has signed an MoU with the NGO to be an associate with their welfare programmes encompassing education, healthcare, child development and women's empowerment. The Association members donated generously. The fund has helped Deep Griha Society render critical service to the needy amidst the pandemic. They helped overcome the challenges faced by families losing jobs, supplying books and mobiles to children for their online courses.

The Alumni Association organized an outstanding event in Diwali where alumni were asked to share their inspiring stories of kindness and gratitude.

The first virtual Alumni Meet of St. Mira's College was organised on The International Women's Day, the 8th of March, 2021. The St. Mira's College Alumni Association proposed a Felicitation Ceremony to honour the journey of the three stalwarts of St. Mira's, Dr. Gulshan Gidwani, Principal, Mrs. Stella Ambrose, Coordinator Unaided Section and Dr. Soniya Chavan, HOD Economics. The virtual Alumni Meet was cheerfully graced by the Sadhu Vaswani Mission Board Members, Faculty members past and present and Alumnae. The Meet was presided over by the dynamic President of the Alumni Association, Mrs. Kashmira Parekh. Ms. Aradhana, an alumna, garlanded the event with her beautiful rendition of ae malik tere bande hum. As the three women of substance rose to share their long and beautiful journey with St. Mira's, the audience got a glimpse of their humility, simplicity and benevolence embroidered with grit and perfection. The Board Members also enthralled us with their words of wisdom. Krishna Didi, an epitome of goodness, mesmerized the audience with a witty and simple parable which reminded us of our beloved Dada. Dr. Manju Nichani showered immense love and warmth through her words of praise. Dr. Bhagwanti Nanwani, magnetic as ever, regaled the audience with her perfect characterization of the three stalwarts. The house was stirred by the emotive words of Dr. Shalini Iyer, a friend non-pareil. As tears of love rolled down her cheeks, we could gauge her selfless journey with these three icons. The Meet also witnessed rich and heartfelt tributes by other faculty colleagues and alumnae. It was concluded with a Vote of Thanks proposed by Ms. Asha Panicker, the Vice President, St. Mira's College Alumni Association. This special event brought together many generations of Miraites. It evoked a strong sense of camaraderie and nostalgia that will bind us all for many years to come.

Alumni Interaction

[organized by TYBA Eco Special students]

Day & Date: Friday, 12 March, 2021

Time: 12:00noon

Mode: Google Meet (<http://meet.google.com/mgg-hdex-ywf>)

Name of Alumnus: Ms. Hennashka Israni

The Department of Economics organized an Alumni Interaction on Friday 12, March, 2021 at 12 noon for the benefit of BA and MA Economics students. Our alumnus, Ms Hennashka Israni of BA Economics 2013 batch and MA Economics 2015 batch spoke on progression to Masters' Program, career goals, career path after a major in Economics.

She commenced her talk by talking of the acronym - INDIA which she elaborated as follows:

I - Identification of Skill Sets - Belief in oneself and taking up something which we are passionate about, in order to identify the skills one is good at and can pursue further.

N - Nurturing our skills Sets - Being inquisitive, having an exploratory nature helps keeping the end goal in mind, for which networking with faculty, friends, parents is important.

D - Development - Students should make a Curriculum Vitae or resume, obtain more online course certifications like Microsoft certifications (MS Office), courses in Editing, Interview skills, and the like, take on work from home internships, be involved in humanitarian work like Volunteering, Community Outreach (like suicide prevention work, tree plantation drives).

I - Investment in activities - This was an extension of Development. For those interested in pursuing their Masters, she recommended that they compile their Statement of Purpose (SOP) - so that they could make applications to institutions of higher learning. She reiterated the importance of involvement in volunteering, internships and other community outreach activities as being important inclusions in one's CV. For those interested in working with the United Nations, she made reference to UN websites like unv.org and careers.un.org. She emphasized the importance of starting small in the UN, and revealed that it could be as small as volunteering with the UN by way of translating content into local language for distance education purposes or data analysis, pamphlet making and so on. Learning a foreign/regional language was also an additional competency which one could imbibe.

A - Action Plan - This included execution of all the prior steps and attaining one's goal before graduation, involved taking volunteering, internships, and the like seriously. She recommended efficient use of websites like LinkedIn for securing internships, making a CV, making job applications before graduation in order to avoid a time lag between graduation and placement.

Career Options - She touched upon career options open to students of Economics major like teaching, research, policy analysis with think tanks and other organizations like the UN.

FAQs- She went on to answer the students' queries, relating to funding, sponsorship for higher studies abroad, career progression. She shared her contact details and promised to continue mentoring the students.

Feedback- The alumni interaction was well received by the students of SYBA, TYBA and MA Economics. About 49 students participated in the program. Out of these, 26 students submitted their positive feedback about the session, all stating that the session was "inspiring", "motivational" and "useful".

N - Nurturing our skills Sets - Being inquisitive, having an exploratory nature helps keeping the end goal in mind, for which networking with faculty, friends, parents is important.
