Report on Professional Ethics and Values

On 14th August, 2018 the department organized a Guest Lecture on Professional Ethics and Values for the Third Year B.Com students. The session was conducted by a very young and dynamic achiever CA Aishwarya Gundecha who highlighted the significance of Professional Ethics and Values. The sole foundation of any profession, particularly Chartered Accountants profession is its credibility. Students gained a deeper insight into the Ethics that have been prescribed and expected to be followed by the Professionals. This will help them to be vigilant and wise in rendering their services as a professional, as they would be aware of the consequences of not adhering to the ethics in ones chosen profession.
