Activity Report

Teach for India

Number of participants: 17

Ayushree Nandan, a Teach for India fellow, spoke to the girls at St Mira's on Friday, 24th August 2018 about becoming a Teach For India Fellow. In her presentation, she addressed various challenges the nation faces like poverty and lack of education. It was shocking to know that 76% of the population drops out before the tenth standard. The loss to the nation is tremendous as it is a failure to utilize human potential.

Through a series of delightful videos of students in corporation schools supported by Teach For India our students were made aware of the impact of a good education and their ability to make a difference in nation building and surmounting the challenges that cripple our country.

They also realised the value education that was being imparted and the difference it made to the young children's lives.
