Report Teklogica 2018-19

The annual inter-collegiate event Teklogica was organized by the Department of Computer Science on 10th and 11th December 2018. Students from different colleges in Pune participated in the competitions with zest and enthusiasm

Students' participation in various events was overwhelming. The C code warrior contest comprised of three rounds of programming. In the HTML web designing contest students used their skills to design a webpage. The knowledge of JAVA programming tested with two rounds of programming.

Students used innovative approaches in the software project competition, for e.g. - Teacher Assistance Management – Android Application; Website for Animal shelter home-PHP; Milk diary inventory management - VB; Algorithm on insertion and deletion on link list using binary search tree concept.

On 10th December, the Electronics project competition was held in the Electronics Lab. The judge for the event was Prof. Rajendra Lele, HOD Computer Science, T. J. College Khadki. The working models displayed included Streetlight Automation, Obstacle Detector using Robotics, Wireless Transmitter/Receiver, Water Level Controller, Path Detecting Robot and IOT based Home Automation. Indira College, Wakad won the first prize for Home Automation in IoT, St. Mira's College won the second prize for Wireless Transmitter/Receiver and Poona College won the third prize for Water Level Controller.

On 11th December, the Electronics poster competition was held in the Electronics lab. The judge for the event was Mrs. Sarojini Joshi, Program Manager, ACI Payment System. Posters were prepared for the topics COBOT, Sensors used in automobile industry and Block Chain technology in the gaming industry. The first prize was won by St. Mira's College, second prize by Abeda Inamdar College and the third prize again by St. Mira's College.

To test knowledge on Mathematics - Kaun Banega Mathematician a quiz competition based on interesting mathematical problems was conducted on 10th December 2018. On the same note, an intercollegiate mathematical aptitude test was conducted on 11th December 2018. PPT on Applications of Data Mining in IT, Applications of Big Data in Social Networking was also conducted. The winners were from MIT College, Pune.

To add more fun to the event, games such as Snap hunt, Marketing and Moviemaking contest were also organized. This event enriched our students with technical skills as well as management skills in organizing events. Total 134 students participated in various events.
