RapItUp#2019

Dept. of Sociology, St. Mira's College, Pune organized a first-ever intercollegiate RAP Competition on 27th August 2019. The theme of the competition was "***Social Inequality***". Today Rap is the manifestation of a feeling of hopelessness and discontent in America's working class, especially working-class minority communities. Rap as a form of hip-hop culture has traveled across the globe and it has served as a voice for those subjugated by systematic political and economic oppression. Rap is a channel for people to speak freely about their views on political or social issues. Thus from this year Department of Sociology has initiated an annual event of Rap Competition. This year, 15 students from various colleges participated as contestants and the event got overwhelming response from the audience.
