## St. Mira's College for Girls held the second edition of TEDx

Last updated on - Sep 9, 2019, 16:22 IST

St. Mira's College for Girls, Pune, hosted its second edition of the TEDx event -TEDx St Mira's College. It was a BBA initiative and was officially organised by Pratiksha Bokadia and co-organised by Manvi Malhotra, mentored by Prof. Abhradita Chatterjee Nahvi and supported by Principal Dr. Gulshan Gidwani and Course coordinator Stella Ambrose. It was hosted in the college auditorium recently. The umbrella theme for the event was "Halfway there"; with the auditorium being full of experts and growing buds in their respective fields, the event took the opportunity to recognize that no learning is ever complete, until we know the other side of the story, until we know what it takes to complete our journey to reach the other end from this half-way standpoint. With the hope that everybody learns, grows, expands their mindsets to discover new things and grow as individuals, St. Mira's College for girls actively recognized the need for this at a local level.

### TEDx ST.MIRASCOLLEGE – Halfway There

TEDx- an event created with a mission of 'ideas worth spreading'. On 7<sup>th</sup> of September, 2019, Saturday, a TEDx event themed "Halfway There" was hosted at the St. Mira's College for Girls, Pune. The 2<sup>nd</sup> edition of tedx was hosted and organized by the students of the BBA department by organizer Pratiksha Bokadia and co-organizer Manvi Malhotra under the insightful guidance and mentorship of Prof. Abhradita Chatterjee Nahvi and with the help of co-curator Falak Baig. This initiative made by the BBA department was a defining moment for the college as this was the second time they were hosting a TEDx event with the aim of stepping up from the benchmark that was created in 2018, as well as expanding the student's horizons, so that they can dream bigger and have the strength, will-power and the network to achieve those dreams. 58 participants were present for the event.

As the phrase suggests, the event elaborated on why we want people to look at the other side of the coin, listen to it if not discuss about the other perspective so that we learn, unlearn and relearn and go away from HALFWAY THERE to completing our goal. To educate people on this is the need of the hour for today's times.

Talks by the judicious speakers were given on various topics under the theme "HALFWAY THERE". The talk quenched the need for such knowledge being imparted amongst the people and the community of ours. The event was a combination of live speakers and TED talk videos.

Dr. Suresh Devnani- Author, Motivational Speaker also known as "Happy Doctor", Geetika Saigal- Entrepreneur, Author and Speaker, Major Mohammad Ali Shah- Army Veteran and Actor, Nabomita Mazumdar- Entrepreneur, Tech Expert and HR influencer, Aditya Kriplani- Screen Writer and Director, Producer, Novelist, Thomas Dal-Architect, Transport Designer, Design Innovator, Malcolm Raphael- Strategist, Innovator, Brand Storyteller and Kanishk Priyadarshi- Anchor, Actor, Youtuber were all the speakers who graced the event with their presence and took the opportunity to recognize that no learning is ever complete, until we know the other side of the story and complete our journey from this halfway standpoint.

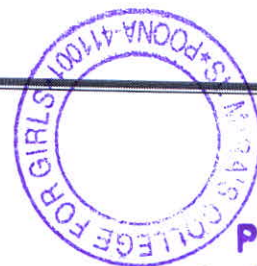

The power pact performances by We Fuse Music (WFM) - an alternate Hindi Rock Band and to top it up a contemporary dance performance by the Tribe Vibe Dance Company added to the amazing experience.

Delicious delicacies were arranged for breakfast, lunch and high tea. All the attendees were given goodie bags that pervaded the theme as souvenirs of the event. The hardwork of the students since March 2019 finally paid off with a sold-out event.

TEDxSTMIRASCOLLEGE quotes Walt Disney's saying that" All our dreams can come true, only if we have the courage to pursue them" so Are you ready to dream big?
