**Congratulations on becoming a SHRM Certified Professional**

Dear Harmanpreet,

It gives me great pleasure to write to you personally, congratulating you on clearing the SHRM Certified Professional (SHRM-CP) Examination efficaciously.

You are now part of a very niche group of individuals, who can say that they are SHRM-CP. Only a few, who are truly gifted, navigate this rather challenging journey of learning.

We at SHRM are glad to have you join the ranks of Professionals worldwide that aspire to extend their reach and scope with continual learning.

I congratulate your loved ones, who have supported you through this journey and have facilitated you, in achieving this goal.

Once again, heartiest congratulations – we at SHRM, wish you prosperity, happiness and joy in years to come both professionally and personally.

Together Towards Tomorrow!

Yours sincerely,
