Green Initiatives

The year 2016 witnessed the inception of a Green Club at St. Mira's College. This is a voluntary initiative of the College comprising faculty and students. Its objective is to sensitize the students about the 3Rs - 'Reduce, Re-use and Re-cycle' by employing a two-pronged approach of advocacy and engagement. It is our belief that our tiny steps towards environment conservation will eventually have a cascading effect in the neighbourhood. The main aim of Green Club is to involve the student community to keep their surrounding green and clean, undertaking plantation of trees and to imbibe habits and lifestyle for minimum waste generation, separation of waste and disposing the waste to the nearest storage point.

- Green Club and NSS Department held a Panel Discussion titled 'Eliminating Plastic' on 25th June 2021 to churn out ways to cut down plastic and adopt more sustainable ways of living.
- The guest lecture, 'Sustainable Fashion' was organized on 14th September 2021 to guide the students on Sustainable living. It was an engaging session which highlighted:
 - The concept and practice of Sustainable fashion
 - Maintenance of sustainable fashion
 - Encouraging sustainable waste management at home
- On the 28th of March, a webinar was held on 'Sustainable Garden'. The speaker spoke about sustainability and how it can help our environment. The students learned how composting, waste segregation, growing plants and what type of natural fertilizers are best for which type of plants.
