Sustainable Campus Policy

Preamble

2019-20

The Stockholm Conference on the Human Environment, 1972, drew attention to the need for green education i.e. education relating to environment protection. The most oft quoted definition of Sustainable development has been given by the United Nations World Commission on Environment and Development (Brundtland Commission) in its 1987 Report, 'Our Common Future' which defines it as development "which meets the needs of the present without compromising the ability of future generations to meet their own needs."

Mankind has pursued increased industrialisation and urbanisation and brought about economic development, which has often been at the cost of tremendous environmental degradation. We have been witnessing this in the form of pollution, acid rain, deforestation, desertification, ozone-depletion, global warming, early signs of climate change.

In 2008, the G8 University Summit adopted the Sapporo Sustainability Declaration for internalising environmental consciousness in university academic frameworks and on campus. In 2015, India committed itself to the UN 2030 Agenda for Sustainable Development (for fulfilment of the UN Sustainable Development Goals 2015-2030). The UGC has laid down the SATAT framework to encourage environment friendly practices on campuses of Higher Educational Institutions. In keeping with the UGC's guidelines, St. Mira's College for Girls, Pune has adopted an Environment Sustainability Policy.

Objectives

- To incorporate sustainable practices like optimisation of material use, promoting water and energy conservation, waste management, **no plastic use.**
- To establish a Teaching-Learning and Research environment conducive to safe and sustainable future by including sustainability related topics in academic programmes and research.
- To create an institutional culture which supports sustainable thinking by encouraging HEI stakeholders (students, faculty, non-teaching staff, civil society) to embrace green life styles, sustainability principles and practices.
- To foster a culture of sustainability via advocacy to and engagement of the immediate stakeholders (students, staff) and promote 'beyond campus' environment awareness programs for civil society;
- To ensure voluntary participative implementation of sustainability practices by the HEI stakeholders through adherence to the principles of REDUCE, REUSE, RECYCLE, REPAIR, REPORT to the best possible extent.

Agenda of meeting to be held on 18th October 2018

A Green Club committee meeting will be held on Thursday 18th October 2018 in the staffroom at 10:45am.

The agenda of the meeting is:

Item No 1: Fix a date to organise a campus cleanup by Green Club Members

Item No 2: Decide whether Green Club will set up a stall at the Annual Mira Bazaar

Item No 3: Decide whether to organise a Green Marathon or a Green Trek

Minutes of the Meeting of the Green Club on 18th October 2018

The meeting was held on Thursday 18th October 2018 in the staffroom at St Mira's College for Girls. The following members were present:

1. Dr. Shalinilyer- Dept. of Business Economics and Banking *Shalinilyer*
2. Mrs. Jyoti Chintan-Dept. of Commerce *Jyoti Chintan*
3. Ms Rajni Singh-Dept. of Commerce *Rajni Singh*
4. Ms Deepanjali Mazumdar-Dept. of Accountancy & BBA *Deepanjali*
5. Ms. Deepali Agarwal-Dept. of BBA(CA) *DA*
6. Ms. Komal Tujare-Dept. of English
7. Ms. Roma Dar-Dept. of English

Item No 1: Fix a date to organise a campus cleanup by Green Club Members

Some green Club members exhibited an interest in cleaning up the Mira statue in the college courtyard. Since the Swachhata Pakhwada was held in the month of August for campus cleanup, it was decided that this activity will be reserved for cleanup and painting (with prior permission) of the Mira statue and the courtyard.

Item No 2:Decide whether Green Club will set up a stall at the Annual Mira Bazaar

It was decided that the Jumble Sale will be continued as part of the Mira Bazaar this annual year too as it helps raise funds for the club's green initiatives as well as aids in sensitizing the students to the practice of reuse.

Item No 3:Decide whether to organise a Green Marathon or a Green Trek

Keeping in mind the busy schedule of all departments and students, it was decided that a Green Trek would be a wiser step towards launching our out-of-campus green initiatives. The potential locations explored included Sinhgarh, Parvati and Chaturshringi areas. The location and date will be finalized after more consideration.

The meeting concluded with a vote of thanks.
